

Graduate Diploma in Legal Studies (018AA)

Award: Graduate Diploma in Legal Studies

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880135

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Course Requirements

At least 24 credit points comprising:

(a) Restricted choice (24 credit points)

as set out below:

(a) Restricted choice (24 credit points) as follows:

(a1) Either (i) or (ii) below:

(i)

6777 Legal Systems G and

6778 Legal Methods and Skills G

or

(ii)

6637 Law and Society G

Another unit approved by the course convener.

and

(a2) At least 18 credit points from 6 units, not already taken, out of the following:

6619 Administrative Law G

6637 Law and Society G

tba Employment Discrimination & the Law G

tba Family Law G

6632 Human Rights Law G

tba International Trade Law G

6777 Legal Systems G

6778 Legal Methods and Skills G

tba Constitutional Law G

6595 Contract Law G

6780 Corporations Law G

6639 Introduction to Taxation Law G

6638 Law of Communications G

tba Property Law G

tba Competition Law & Policy G

tba Equity G

6781 Law of Obligations G

tba Legal Theory G

tba Business Law G

6631 Government and Corporate Contracting PG
6620 Advanced Corporation Law PG
6622 Advanced Taxation Law PG
tba Management Ethics PG
6624 Comparative and International Law PG
6626 Comparative Constitutional Law PG
6625 Comparative Company Law PG
6627 Corporate Crime PG
6629 Corporate Governance PG
6595 Criminology PG
6633 Information Law PG
tba Intellectual Property Law PG
6634 International Banking, Finance and Securities PG
6635 International Dispute Resolution PG
6636 International Organisations (WTO) PG
tba International Trade Law PG
tba Managers & the Law PG
6644 Principles of Common Law PG
6645 Securities Regulation PG
6640 Legal Research Reading PG
6646 Technology Contracting PG
6628 Corporate Finance Law PG

or other 3 credit point G or PG level units(s) as approved by the course convener.

Typical Course Structure

Semester 1

YEAR 1

6637 Law and Society G
6779 Contract Law G
tba Constitutional Law G
6632 Human Rights Law G

Semester 2

6638 Law of Communications G
6619 Administrative Law G
tba Intellectual Property Law PG
6630 E-Law for Government & Business PG

Course Duration

2 semesters full-time; 4 semesters part-time; maximum: 8 semesters.

Admission Requirements

Bachelor degree or equivalent from a recognised Australian tertiary institution. Students who hold a degree from a foreign tertiary institution may also be permitted to undertake this course.

Subsumable awards

The Graduate Certificate in Legal Studies course is subsumable within the Graduate Diploma in Legal Studies and the Master of Legal Studies. Depending on the units taken, it may also be subsumable within the Juris Doctor.

Course Enquiries

Graduate Diploma in Applied Economics (090AA)

Award: Graduate Diploma in Applied Economics

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880295

CRICOS Code: 003208D

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course seeks to develop the economic analytical skills demanded of today's managers in both the public and private sectors.

It develops the capacity to think critically about economic issues, and offers the breadth needed to apply economics successfully to the formulation of policy.

Economic principles pervade almost every aspect of our lives as workers and consumers. In the private sector, knowledge of economic principles is valuable in the finance industry, consultancy, lobby groups and the media. In Canberra, it is in high demand in the public service and the private sector dealing with government. Economists are employed in virtually every Commonwealth and State government department and agency and contribute to the formulation of a wide range of policies including education, social security, job training, trade and protection, industry and communications.

Course Requirements

24 credit points comprising:

- (a) 3 credit points required
- (b) 21 credit points restricted choice

(a) Required (3 credit points)

6234 Economics for Managers G

(b) Restricted choice (21 credit points)

6237 Human Resource Economics PG
6265 Project Evaluation & Management G
6427 Asia Pacific Business G
6258 Managerial Economics PG
7528 Economics of the Public Sector PG
7532 Environmental and Resource Economics PG
6241 International Business G
6244 International Marketing PG
6261 Marketing G
6262 Marketing Management PG
or any other graduate or postgraduate unit with the approval of the course convener.

Typical Course Structure

	Semester 1	Semester 2
YEAR 1	6234 Economics for Managers G	Elective
	Elective	Elective
	Elective	Elective
	Elective	Elective

Course Duration

Standard: 2 semesters. Maximum 8 semesters

Admission Requirements

Applicants must meet normal University of Canberra requirements for admission to a graduate diploma course. There are no special admission requirements.

Advanced standing: Advanced standing may be granted in up to 4 subjects (12 credit points) on the basis of an incomplete award at graduate level. No advanced standing will be granted on the basis of a completed award.

Course Enquiries

Students are advised to consult with the course convener if they are in doubt about their study program. Further assistance may be sought from the Office of the School of Business.

Master of Environmental Design (Research) (158AA)

Award: Master of Environmental Design

Faculty: Faculty of Arts and Design

CRICOS Code: 003245K

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is one of a suite of similar courses, the others being the masters degree course in Architecture (192AA); the masters degree course in Industrial Design (196AA); the masters degree course in Landscape Architecture (195AA); and the masters degree course in Urban and Regional Planning (110AA).

These masters degree courses consist of a thesis comprising advanced study and research embodying an original investigation of a topic falling within one or more fields of study for which the masters degree has been accredited. Candidates whose thesis will be in a cross-disciplinary area will enrol in the Master of Environmental Design course. Those whose thesis will be predominantly in one area will enrol in the appropriate degree course. The thesis may take the form of a written report with drawings or other supplementary material.

Course Requirements

Students are required to complete a thesis valued at 48 credit points by enrolling in either 1812 Environmental Design Masters Thesis PT (for part-time candidates) or 2861 Environmental Design Masters Thesis:FT (for full-time candidates).

Course Duration

Standard: 4 semesters full-time or part-time equivalent
Maximum: 4 semesters full-time or part-time equivalent.

Admission Requirements

Applicants must meet normal University of Canberra requirements for admission to a master's course by research (in accordance with Gold Book 3.4.4). There are no special admission requirements.

Graduates from other disciplines, or who have completed a bachelor degree of three year duration only, may be required to undertake bridging units unless they can demonstrate that any work experience has served the same purpose.

Course Enquiries

Students should consult with the course convener in the first instance, or seek further assistance from the Office of the School of Design and Architecture, 7A A28, (02) 6201 2178.

Doctor of Philosophy (Education) (208AA)

Award: Doctor of Philosophy

Faculty: Faculty of Education

CRICOS Code: 054211J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The degree of Doctor of Philosophy in the field of Education involves candidates in a program of research requiring the presentation of a doctoral thesis which should provide evidence of the candidate's ability to conceive, execute and report on a scholarly piece of research in advanced theory or student practice.

The objectives of the course are -

- a. to promote and provide a means of high levels of education, research and development for those people directly involved in the design, operation and future development of Australian education;
- b. to provide a program of research suitable for teachers, administrators and officers in related fields of education.

Course Requirements

Candidates are required to complete the subject 1257 Education Doctoral Thesis D PT or 1258 Education Doctoral Thesis D:FT.

The doctoral thesis should demonstrate that the candidate has academic and technical competence in the field and has done research of an original and independent character. The thesis must add to or modify what was previously known, and present significant original analysis of the subject based upon investigation.

Course Duration

The duration of the course for full-time candidates will normally be 6 semesters or equivalent part-time.

Admission Requirements

Entry requirements for the PhD are an honours degree, a masters degree or a postgraduate diploma at a high level of achievement.

Intending candidates should make an application to the Division for admission to the course by completing a PhD application form which is available from the Graduate Studies Officer, 1C151

(02) 6201 5407.

Applicants should submit with their application a thesis proposal and an outline of their proposed area of research as explained in the Doctor of Philosophy application form. Prior to selection, applicants should be prepared for further contact with the course convener, at which they will be expected to further define the nature of the problems they propose to investigate and demonstrate their competence to undertake doctoral research in that field of education.

Course Enquiries

Students should consult with their supervisors in the first instance. Further assistance may be sought from the Divisional Graduate Studies Officer.

Bachelor of Applied Science (Honours) (223ZA)

Award: Bachelor of Applied Science (Honours)

Faculty: Faculty of Science and Technology

CRICOS Code: 007100F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Honours degree provides intensive training in research for students seeking to pursue an academic or research career in a field of applied science related to the disciplinary focus of the candidate's first degree. It is a research degree and the assessment is principally by thesis examination.

The course is offered for study in fields associated with the Divisions research centres.

Course Requirements

Completion of a 24 credit point Specific Core in Applied Science (Honours). The content of this core is defined by the Honours contract which is finalised in conjunction with your supervisor.

Typical Course Structure

Semester 1

4773 Research Honours in Applied Science:FT

Semester 2

4773 Research Honours in Applied Science:FT (cont'd)

Part-time students enrol in the unit 4774 Research Honours in Applied Science:PT . Study can commence in semester 2.

Course Duration

2 semesters full-time over 9.5 months, 4 semesters part-time over 19 months; maximum 4 semesters.

Admission Requirements

Applicants must normally have a Bachelor's degree in applied science from a recognised tertiary institution with a grade point average of 5.0 or higher in the final two years of the course, or possess qualifications deemed equivalent by the University's Admissions Committee.

Places are limited. Normally not all candidates who are admissible are offered a place in the honours program, and selection is based principally on merit. Applicants are required to obtain the agreement of a staff member to supervise their proposed project.

Course Enquiries

General enquiries can be made with the Course Convener :

Dr David Williams

Bldg 3, C29, (02) 6201 2544 david.williams@canberra.edu.au

In all cases, an honours student will undertake their research in association with one of the research centres of the Division. Initial enquiries concerning potential supervisors can be directed to:

Institute for Applied Ecology - <http://aerg.canberra.edu.au/>

Professor Richard Norris

Bldg 15, (02) 6201 2543 richard.norris@canberra.edu.au

Research Area in Preventive Health and Improved Wellbeing -

<http://hds.canberra.edu.au/phiw/>

Associate Professor Gordon Waddington

Bldg 12, C7, (02) 6201 2737 gordon.waddington@canberra.edu.au

Administrative enquiries may also be directed to the Graduate Studies Officer of the Division of Health, Design and Science, 7C15, (02) 6201 5199.

Master of Arts in Communication (Research) (230AA)

Award: Master of Arts in Communication

Faculty: Faculty of Arts and Design

CRICOS Code: 054342J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Master of Arts in Communication by research is designed to equip students with a critical understanding of advanced communication or cultural theories and research, a sound knowledge of their chosen field, and the ability to complete a substantial research project and to extend their field through a contribution to knowledge or a new presentation of existing knowledge. Candidates typically undertake investigation, developmental or creative work on topics focused on the news media, government communication, information and communication technologies, or creative media texts. They produce either a research or a creative thesis as their research product. Graduates will be encouraged to:

Graduates will be encouraged to:

- develop high-order analytical and critical evaluation skills;
- develop skills for marshalling support for projects; and
- develop skills for interacting with other researchers and professionals and so be able to contribute constructively to a research or professional team.

Course Requirements

- (a) Required units 42 credit points
 - (b) Restricted choice 6 credit points
- as set out below.

(a) Required (42 credit points):

6862 Communication Thesis Preparation R

6863 Communication Thesis R FT or 6864 Communication Thesis R PT

Where the research product takes a creative form rather than the conventional printed and bound thesis, it must comply with the following criteria:

- (i) the research work will be of an intellectual and critical level equivalent to a communication or cultural theory thesis;
- (ii) the forms used to present the creative product of the research work include: writing (poetry, prose, cross-genre writing, experimental writing); film and television production; and digital media (both on-line and off-line interactive forms such as web sites and CD-ROMs or DVDs, digital motion graphics, online video, animation, sonics, interactive writing);
- (iii) the creative product of the research will comprise a major creative work - 'major' as appropriate to the field, as agreed between the candidate and the supervisory panel, and as assessed by peers - presented by publication, exhibition, performance or other relevant means, in the medium appropriate to the form (see Gold Book 7.3.4.5);
- (iv) the research product will incorporate the creative product and a critical exegesis of at least

10,000 words (see Gold Book 7.3.4.3);

(v) the theoretical foundation for the work will include critical and cultural theory relevant to the field, normally presented in the context of the exegesis, and integrated with the creative work;

(vi) the exegesis should locate the creative product in a contemporary context, demonstrate familiarity with other creative works in the field, and provide a theoretical annotation of the work, incorporating relevant conceptual perspectives (see Gold Book 7.3.4.6);

(vii) the examiners appointed to examine the research product will wherever possible be individually equipped to evaluate both the creative and critical elements of the work; in instances where that is not feasible, a panel of examiners whose skills collectively cover both creative and critical elements will be appointed.

(b) Restricted choice (6 credit point)

For candidates undertaking a communication or cultural studies research thesis:

7574 Advanced Communication Theory and Research PG

For candidates undertaking a creative thesis:

7537 Creative Research: Theory and Practice PG

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Typical Course Structure

a. Full-time enrolment for candidate completing communication/cultural studies research

Semester 1

Semester 2

YEAR 1

7574 Advanced Communication Theory and Research PG

6863 Communication Thesis R FT

6862 Communication Thesis Preparation R

YEAR 2

6863 Communication Thesis R FT or

6863 Communication Thesis R FT or

6864 Communication Thesis R PT

6864 Communication Thesis R PT

b.i. Full-time enrolment for candidate completing creative studies research

Semester 1

Semester 2

YEAR 1

7537 Creative Research: Theory and Practice PG

6863 Communication Thesis R FT

6862 Communication Thesis Preparation R

YEAR 2

6863 Communication Thesis R FT or

6863 Communication Thesis R FT or

6864 Communication Thesis R PT

6864 Communication Thesis R PT

Course Duration

4 semesters full-time or equivalent part-time.

Admission Requirements

Admission is normally on the basis of:

- a bachelor degree with above average performance or with honours in an appropriate field of study; or
- a degree in any field of study followed by a graduate diploma in the same field as the masters program by research; and
- evidence of capacity to undertake research at the masters level.

Additional requirements:

Applicants intending to produce a creative thesis are required to submit a portfolio of creative work in the form and media they intend to use.

Advanced standing:

Advanced standing will be considered on a case-by-case basis in accordance with 3.4.4 of Higher Degrees by Research Policy and Procedures (the Gold Book). The maximum amount of advanced standing is 12 credit points unless the applicant has a partly completed research degree in the same field.

Assumed Knowledge

Applicants must possess a capacity and/or aptitude for research, and have clear written and oral communication skills, analytical and conceptual skills and those intending to produce a creative thesis need demonstrated skills in the form and media in which they intend to work.

Course Enquiries

Students seeking course advice should contact the course convener.

Doctor of Philosophy (Applied Science) (232AA)

Award: Doctor of Philosophy

Faculty: Faculty of Science and Technology

CRICOS Code: 054212G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The program is designed to provide an opportunity for high calibre graduates to undertake scholarly postgraduate research in a field of study taken from one of the following areas of expertise within the Division - cultural heritage sciences, human and biomedical science, resource and environmental science, dependent on the availability of supervisors.

It is strongly recommended that all potential candidates contact the course convener prior to submission of an application, as a research proposal (3-5 pages) is required with the application.

Successful completion of the program requires candidates:

- to conceive, design and carry to completion a piece of original research which, in the opinion of three independent assessors of recognised standing, adds substantially to existing knowledge and understanding of the field of study;
- to demonstrate a thorough knowledge of the scientific literature in their field of study and be aware of current or potential areas of contention likely to form the focus of future research in their field;
- to develop the skills necessary for communicating the results of their work effectively to other professionals in their field of study;
- to demonstrate a high degree of scholarship.

Course Requirements

Satisfactory completion of 72 credit points as follows:

4091 Doctoral Thesis in Applied Science D:FT or

4090 Doctoral Thesis in Applied Science D:PT

Typical Course Structure

Full-time candidates enrol in the subject 4091 Doctoral Thesis in Applied Science D:FT; Part-time students enrol in the subject 4090 Doctoral Thesis in Applied Science D:PT.

Course Duration

6 semesters full-time or equivalent part-time.

Admission Requirements

Applicants shall have a degree of bachelor with first or upper second class honours awarded by an Australian university or other recognised higher education institution, and provide evidence of research training and aptitude for research.

Course Enquiries

Students must consult with their supervisors for course advice at the commencement of, and during, their studies.

Doctor of Philosophy (Information Sciences and Engineering) (235AA)

Award: Doctor of Philosophy

Faculty: Graduate Research Office

CRICOS Code: 054188C

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The PhD program offered by the Division is concentrated in the major research fields of the Division including plasma instrumentation, advanced telecommunications, human-computer communications, speech and speaker recognition, applied geometric analysis, mathematical physics, general relativity, differential equations, statistics, and information technology. Studies in this last area include the human-computer interface, artificial intelligence, software engineering, and information dissemination and distribution. Research opportunities also exist in non-linear analysis.

Course Requirements

There is no coursework component. Students will be required to write a thesis of about 100,000 words. Where the Division believes that a student would benefit from undertaking a preparatory course in a specific area, it may recommend that such a course be made a condition of candidature, in addition to the thesis requirement.

Students enrol in the subject 4094 Doctoral Thesis Fac of InfoSci&Eng D:FT or 4095 Doctoral Thesis Fac of InfSci&Eng D:PT .

Course Duration

Normally 6 semesters full-time or equivalent part-time, maximum period of study 10 semesters.

Admission Requirements

Admission to candidature may be granted to students holding a Bachelor's degree with first class honours, a master degree or equivalent qualifications. Applicants may be required to provide evidence of research experience, which may be shown by reference to prior studies, the completion of a higher degree involving research, publications, and/or other relevant evidence.

A preliminary research proposal should be attached to the application.

Course Enquiries

Students will be allocated primary and secondary supervisors with whom they must consult at the

commencement of, and on a regular basis during, their studies. Further assistance is available from the Office of the School of Information Sciences & Engineering .

Doctor of Philosophy in Commerce (244AC)

Award: Doctor of Philosophy

Faculty: Faculty of Business, Government & Law

CRICOS Code: 054190J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Doctor of Philosophy program in Commerce provides research training in applied aspects of commerce. The program consists of a substantial thesis in a topic from any area of accounting, auditing and risk management, banking and finance or electronic commerce.

Course Requirements

The Doctor of Philosophy program in Commerce is made up of a 72-credit point thesis. Students enrol in either 5877 Doctoral Thesis in Commerce D:FT or 5878 Doctoral Thesis in Commerce D:PT.

Typical Course Structure

There is no coursework component. Students will be required to write a thesis of about 100,000 words. Where the Division believes that a student would benefit from undertaking a course in research methods, it may recommend that such a course be made a condition of candidature, in addition to the thesis requirement.

Course Duration

Candidature may be undertaken on a full-time or on a part-time basis. The minimum period of candidature is 6 semesters of full-time study, or part-time equivalent.

Admission Requirements

Admission to candidature may be granted to students holding a Bachelor's degree with upper second class or first class honours, a masters degree or equivalent qualifications. The course convener should be consulted in regard to candidates who do not meet these criteria. Before a candidate will be admitted into the program by the University Higher Degrees Committee, the Division must be satisfied that it is able to supervise the candidate's proposed thesis and that the candidate has sufficient prior research experience to allow her/him to complete the thesis. Candidates who have been admitted into the program will be required to deliver a work-in-progress seminar during the first year of their candidature before this candidature is confirmed.

Course Enquiries

Students should seek course advice from the course convener. Further assistance is available from the Office of the School of Business.

Doctor of Philosophy in Communication (246AA)

Award: Doctor of Philosophy

Faculty: Faculty of Arts and Design

CRICOS Code: 054210K

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The areas which potentially offer supervision are:

- communication and culture
- communication history
- communication policy
- communication theory
- comparative communication
- communication language and literature
- communication and technology
- development communication
- environmental and risk communication
- epistemological issues in communication
- intercultural communication
- international communication
- mass communication
- organisational communication
- political communication.

Information Studies Specialisation

The areas of information studies in which the degree may be pursued are:

- archival resources
- information and records management
- information retrieval
- library systems and services
- resources and services for young people.

Tourism and Leisure Studies Specialisation

Areas in which supervision may be offered include:

- Australasian and Pacific Rim tourism and leisure studies
- cultural and heritage tourism
- event management, planning and marketing
- globalisation of leisure and tourism
- historical aspects of tourism and leisure
- media and leisure
- sustainable tourism
- tourism and hospitality management
- tourism and hospitality marketing
- tourism impact analysis
- tourism and leisure planning and policy analysis
- visitor management.

Course Requirements

The Information Studies specialisation is available by thesis alone, with enrolment in the subject 4093 Doctoral Thesis Information Studies D:FT (full-time), or 4092 Doctoral Thesis Information Studies D:PT (part-time).

The Communications specialisation is available by thesis alone, with enrolment in the subject 4096 Doctoral Thesis in Communication D:FT (72 credit points), or 4097 Doctoral Thesis in Communication D:PT (72 credit points).

Course Duration

6 semesters full-time or equivalent part-time.

Admission Requirements

Entry requirements for the PhD are an honours degree at first class or 2A level, or a masters degree, or a postgraduate diploma with average results of at least credit level. These qualifications must be in information studies or a closely related discipline.

Candidates (particularly those from cognate disciplines) may be required to undertake bridging studies before commencing the PhD thesis. Note that such bridging studies cannot count towards the PhD.

Course Enquiries

Students should consult with their supervisors or with the course convener. Further assistance is available from the Graduate Studies Officer in the Division.

Doctor of Philosophy in Environmental Design (251AA)

Award: Doctor of Philosophy

Faculty: Faculty of Arts and Design

CRICOS Code: 054213G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The School offers a PhD program in areas of study related to its research centres: cultural heritage conservation studies and environmental philosophy, planning and design.

Course Requirements

A candidate will be required to undertake original research resulting in a thesis which makes a significant contribution to understanding, and/or to knowledge and/or its application in an agreed specialised area within the field of studies in environmental design. The work should entail systematic and searching reviews of the relevant literature in order to locate the study in relation to existing work in the field, the development of a clear statement as to the aims and objectives of the study, systematic investigation of the topic and the development of a well articulated theoretical position for undertaking its analysis. All this work should be incorporated into a well-written and well-argued thesis which describes the work done and articulates the findings of the study.

Typical Course Structure

Students enrol in either 4436 Doctoral Thesis Envir/mental Design D:FT (full-time); or 4435 Doctoral Thesis Envir/mental Design D:PT (part-time).

Course Duration

3 years full-time or equivalent part-time.

Admission Requirements

Candidates must hold an honours degree at first class or 2A level, or a qualification deemed by the University's Admissions Committee to be equivalent. The qualification should be in a relevant discipline.

Master of Arts in Tourism (Research) (327AA)

Award: Master of Arts in Tourism

Faculty: Faculty of Business, Government & Law

CRICOS Code: 019927G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The aim of the course is to provide applicants who have an appropriate educational background with an opportunity to pursue research at masters degree level in a specialised area of tourism studies.

Participation in this course will develop a candidates knowledge of a chosen field and extend that field through a contribution to knowledge. The course comprises training in research methods, development of a research proposal and a research thesis in a specialised area of tourism studies and some coursework units. Student consultation and assessment will allow for a more individual study program to be developed for students from different backgrounds.

Areas of tourism studies in which theses can be undertaken include alpine tourism; Australasian tourism studies; convention, events and meetings management; cultural and heritage tourism; urban and regional tourism development; nature-based tourism; tourism impact analysis; and tourism crisis and disaster management. Further choices are available with details obtained from the course convener.

Course Requirements

48 credit points as set out in paragraphs (a) and (b). Two options are provided for appropriately qualified candidates. Options are to be determined by consultation with the course convener at the start or end of the first semester of a students course.

Option A

(a) Required units 45 credit points

(b) Restricted choice 3 credit points as set out below.

(a) Required (45 credit points):

- (i) 994 Research Methods PG. (6 credit points)
- (ii) 6868 Tourism Research Proposal R (3 credit points)
- (iii) 6867 Contemporary Tourism Issues PG (3 credit points)
- (iv) 6870 Tourism Masters Thesis A R FT or 6871 Tourism Masters Thesis A R PT (33 credit points)

(b) Restricted choice (3 credit points)

3 credit points from 6869 Regional Tourism Development PG or another PG unit chosen in consultation with the course convener.

Option A is for those students with either limited or no previous tourism knowledge and study.

Option B

(a) Required units 48 credit points as set out below.

(a) Required (48 credit points):

- (i) 994 Research Methods PG. (6 credit points)
- (ii) 6868 Tourism Research Proposal R (3 credit points)
- (iii) 6867 Contemporary Tourism Issues PG (3 credit points)
- (iv) 6872 Tourism Masters Thesis B R FT or 6873 Tourism Masters Thesis B R PT (36 credit points)

Option B is for those students with substantial tourism knowledge and study.

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Typical Course Structure

Option A

Semester 1

YEAR 1

994 Research Methods PG.

6868 Tourism Research Proposal R

6867 Contemporary Tourism Issues PG

YEAR 2

6870 Tourism Masters Thesis A R FT or
6871 Tourism Masters Thesis A R PT
(cont'd)

Option B

Semester 1

YEAR 1

994 Research Methods PG.

6868 Tourism Research Proposal R

6867 Contemporary Tourism Issues PG

YEAR 2

6872 Tourism Masters Thesis B R FT or
6873 Tourism Masters Thesis B R PT
(cont'd)

Semester 2

6869 Regional Tourism Development
PG or a PG elective unit 1 (3cp)

6870 Tourism Masters Thesis A R FT or
6871 Tourism Masters Thesis A R PT

6870 Tourism Masters Thesis A R FT or
6871 Tourism Masters Thesis A R PT
(cont'd)

Semester 2

6872 Tourism Masters Thesis B R FT or
6873 Tourism Masters Thesis B R PT

6872 Tourism Masters Thesis B R FT or
6873 Tourism Masters Thesis B R PT
(cont'd)

Course Duration

4 semesters full-time, or the equivalent part-time.

Admission Requirements

The entry requirements of the course are:

- a degree or honours degree in tourism, or an honours degree or degree in a cognate area, with at least an average grade of a credit or better;
- evidence of a capacity for conducting research at the MA level.

Advanced Standing:

Advanced standing may only be given for similar coursework or research training undertaken at the postgraduate level up to a maximum of 9 credit points for Option A and 12 credit points for Option B.

Professional Recognition

Tourism program accreditation by the Tourism Industry Council in 2004.

Course Enquiries

Intending students are advised to consult the course convener in the first instance. Further assistance may be sought from the Graduate Studies Officer of the Division or from the Office of the School of Information Management and Tourism.

Bachelor of Science (392AB)

Award: Bachelor of Science

Faculty: Faculty of Science and Technology

University Admissions Centre (UAC) Course Code: 368103

CRICOS Code: 025533J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Bachelor of Science (BSc) degree is a very flexible degree that provides students with an understanding of their chosen fields within a number of science disciplines including the possibility of a non-science discipline. This is beneficial when students seek a broad education and wish to keep a range of career options open for as long as possible. It is also useful if students are initially undecided as to their course preferences, or require a cross-disciplinary education within or beyond science, such as combining studies in science and law. On enrolment, student will be encouraged to seek course advice on selecting majors and individual subjects appropriate to their interest, career aims and abilities.

Course Requirements

72 credit points comprising:

(a) Restricted choice (48 credit points)

(b) Open electives (24 credit points)

as set out below.

(a) Restricted Choice (48 credit points)

(i) Two 18 credit-point **Science majors** from the following suggested list of Science majors: Applied Ecology; Applied Statistics; Cultural Heritage Studies; Disease Investigation; Ecological Conservation; Environmental Assessment; Human Biology: Chemical & Molecular Principles; Human Biology: From Cells to Organisms; Human Nutrition; Information Systems; Integrated Environmental Management; Introduction to Psychological Science; Psychological Science; Software Engineering; Sports Science; Water Science.

This list is not finalised and students are advised to check with the course convenor for the latest update.

(ii) One 12 credit-point **Science minor** from the following suggested list of Science minors: Applied Statistics; Biological Chemistry; Cultural Heritage Studies; Disease Investigation; Ecology; Environmental Assessment; Environmental Management; Human Biology; Human Nutrition; Information Systems; Land Information Systems; Mathematical Structures & Computation; Software Engineering.

This list is not finalised and students are advised to check with the course convenor for the latest update.

(b) Open electives (24 credit points)

The remaining 24 credit points could consist of either:

1. another major (18, 21 or 24 credit points) chosen from all valid elective majors in the University, together with such single elective subjects as might be necessary to make up the 24 credit points, OR
2. any four-subject elective minor chosen from all valid elective minors in the University, OR
3. a combination of either of the above options b(i) and (ii) incorporating the balance of subjects in the Science majors selected under (a)(i) above if 21 credit point or 24 credit point versions of the majors exist.

Note: These subjects must be chosen so that there are no more than 30 credit points at first year level in the degree.

Bachelor of Management (394AA)

Award: Bachelor of Management

Faculty: Faculty of Business, Government & Law

CRICOS Code: 003191G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Bachelor of Management is designed for those who are making, or who plan to make, their careers in management in the business, public and non-governmental sectors. It is suitable both for those who have recently completed secondary studies and for those with some work experience. The course combines conceptual understanding and a practical orientation in Management, with a major in Government and Politics, or Management, Governance & Policy.

For students wishing to undertake research in management or government related fields, the School offers an Honours program. The program is open to students with a credit average or above in their management degree, and includes a research thesis, research colloquium and some coursework. The honours program facilitates in-depth study in management, government and related fields, and is a useful pathway to further research at postgraduate level.

The Bachelor of Management is also available as a double degree with Arts, Arts in International Studies, Business Administration, Science (Psychology), Communication (Public Relations), Communication (Journalism) and Law.

[Recognition of Prior Learning](#) (RPL) applies to this course.

Course Requirements

(a) 24 credit points Required units made up of:

- (1) 12 credit points Management Foundation Minor
- (2) 12 credit points Required units

(b) 30 credit points Restricted Choice made up of:

- (1) 18 credit points Major restricted choice
- (2) 12 credit points Minor restricted choice

(c) 18 credit points Open electives

(a) Required units (24 credit points):

(1) The Management Foundation Minor (12 credit points)

4207 Introduction to Management

5617 Accounting for Managers

6130 Introduction to Government

5123 Business Statistics

(2) Required units (12 credit points):

6606 Government-Business Relations
4818 Organisational Behaviour
7079 Organisational Performance
7371 Strategic Management

(b) Restricted Choice (30 credit points)

Consisting of one of the following majors (18 credit points) and one of the following minors (12 credit points).

Majors:

Government & Politics
Management, Governance & Policy

Minors:

Banking and Finance
Business Management
Economic Policy
Entrepreneurship
Human Resource Management
International Management
International Politics
Marketing
Public Policy
Public Sector Management

Where an approved major or minor includes a unit from the Management Foundation minor or the Required units, students are permitted to substitute a relevant elective as specified or with the approval of the course convenor.

(c) Open electives (18 credit points):

A maximum of six electives from any discipline within the university.

For a student to graduate in an undergraduate course, no more than 30 credit points at Level 1 (ie at an 'introductory' level) can be counted towards course completion; most credit points will need to have been undertaken at Level 2 or higher (ie at an 'advanced' level). Students should take this into account when choosing elective units, majors or minors.

Requirements for degree with Honours:

On completion of the Bachelor of Management course, students with a credit + average over the last two years of the Bachelor's degree, and evidence of having performed in some units at Distinction or above can apply for entry to the Bachelor of Philosophy (Honours) or the Bachelor of Commerce (Honours).

Assumed Knowledge

Subsumable awards

Articulation arrangements exist with the Canberra Institute of Technology to establish advanced standing for the Diplomas and Advanced Diplomas in Business management, Business (Human Resources) and Business Development. Generally 18 credit points of advanced standing is available for the Diploma and 24 - 30 credit points for the advanced Diploma. Students holding these awards should consult the course convener prior to commencing University of Canberra studies for advice on which units they will receive credit for. Advanced Standing is also available for articulation into the Bachelor of Management from other CIT courses with articulation arrangements with University of Canberra, and students are advised to consult the course convener.

© 2004-2019 University of Canberra

Bachelor of Arts (429AA)

Award: Bachelor of Arts

Faculty: Faculty of Arts and Design

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Bachelor of Arts degree provides a flexible preparation for many areas of vocational and professional employment, as well as the broad perspective required for informed citizenship. A four-unit Liberal Arts Foundation sequence, with choices at individual unit level, combines with a choice of Arts majors to complete the requirements of an Arts degree. The remaining units mark the character of the degree as either arts-oriented or professional, and include an open choice of one full major. Foundation program units may themselves become the basis for a continuing major or minor sequence.

Course Requirements

72 credit points, comprising:

(a) Restricted choice (48 credit points)*

(b) Open electives (24 credit points)

as set out below.

(*Note: 48 credit points from restricted choice units is a minimum, based on the assumption that students undertake 18 credit points majors from the restricted Arts or Professional majors lists, below. A 21 or 24 credit points Arts or Professional major will raise this figure, and correspondingly reduce the number of credit points available for open electives.)

(a) Restricted Choice (48 credit points) comprising:

(i) 12 credit points from the **Arts Foundation Minor**,

(ii) An 18 credit points **Arts major** from the following list of Arts majors:

Applied Economics; Chinese Language; Communication; Creative Writing; Cultural Studies; Economics; English Language and Literature; Gender and Diversity; International Studies; Japanese Language; Law and Society; Literary Studies; Mathematical Perspectives; Politics and Government; Spanish Language; Sociology.

(iii) Another 18 credit points **Arts major** from the above list OR a **Professional major** selected from the following list:

Accounting; Advertising Studies; Applied Psychology: social & Clinical; Applied Statistics; Banking and Finance; Community Development; Computer Information Systems; Counselling Studies; Employment Relations; Financial Management; Human Nutrition and Health; Inclusive Education; Information Studies; Integrated Environmental Management; Journalism Studies; Law and Technology; Management; Public Relations Studies; Sports Management; Sustainable Development Economics; Tourism.

(b) Open electives (24 credit points):

The remaining 24 credit points could consist of either: another major (18, 21 or 24 credit points) chosen from all valid elective majors in the University, together with such single elective units as might be necessary to make up the 24 credit points;

OR

any two four-unit elective minors chosen from all valid elective minors in the University;

OR

a combination of either of the above options incorporating the balance of units in the Arts or Professional majors selected under (a)(ii) or (a)(iii) above if 21 credit points or 24 credit points versions of the majors exist, provided that students do not breach the general rule limiting the number of credit points at Level 1 to 30 credit points.

Bachelor of Education in Secondary Teaching (Health and Physical Education) (433BN)

Award: Bachelor of Education

Faculty: Faculty of Education

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is offered to school leavers and those with no previous tertiary qualifications who would like to become secondary teachers in Health and Physical Education. Graduates will develop: sensitivity to the needs and characteristics of learners; awareness of the social context and implications of schooling; understanding of basic education problems and issues; self-awareness, including awareness of the place of the teachers personal theories, values and modes of operation in the motivation of learning; knowledge, skills and attitudes to be an effective teacher; and, flexibility to enable constructive work in given education settings.

Course Requirements

At least 96 credit points comprising of:

- (a) Required 81 credit points
- (b) Restricted choice 12 credit points
- (c) Open elective 3 credit points

as set out below:

(a) Required (81 credit points):

Major in Teacher Education (Open) (18 credit points)

Major in Professional Studies Secondary (Restricted) (21 credit points)

Minor in Physical Skills (Restricted) (12 credit points)

6577 Indigenous Education: What Works (3cp)

6904 Teaching Internship (6cp)

7562 Acquisition of Skills 5 (3cp)

Health and Sport Science units (18 credit points)

6534 Regional Anatomy and Physiology

6529 Systemic Anatomy and Physiology

6615 Introduction to Exercise Science

6581 Health and Personal Development

6582 Health Education

6909 Health Promoting Schools

(b) Restricted choice (12 credit points):

Four units comprising restricted electives (Restricted to any electives within the Key Learning Areas of a secondary school curriculum). Students are required to seek course advice before deciding on their restricted electives. Students are only restricted by school KLAs. (No more than

30 credit points at level 1 allowed for the course.)

(c) Open electives (3 credit points):

One unit in last semester fourth year (no more than 30 credit points at level 1 allowed for the course).

6908 Professional Experience SEC 3

Restricted KLA elective

6889 Socio-Cultural Politics of Education

6733 Responding to Individual Needs in Education

Open elective

6891 Curriculum Studies

Course Duration

8 semesters full-time, equivalent part-time; maximum 20 semesters.

Admission Requirements

Normal University requirements for admission to an undergraduate course.

Additional admission requirement:

Overall Academic IELTS band score of 7.5.

Additional requirements: All students enrolled in the Bachelor of Education (Secondary) degree are required to complete appropriate police checks or sign employment declaration forms prior to

the commencement of their Professional Experience placement.

For a student to graduate in an undergraduate course, no more than 30 credit points at Level 1 (i.e. at an introductory level) can be counted towards course completion; most credit points will need to have been undertaken at Level 2 or higher (i.e. at an advanced level). Students should take this into account when choosing elective units, majors or minors.

Assumed Knowledge

Professional Recognition

The degree will be submitted to the ACT Department of Education, Youth and Family Services and the NSW Department of Education and Training. Further applications will be undertaken with other accrediting authorities throughout Australia.

Course Enquiries

All students must seek the advice of the course convener for approval of their study program. For further information please contact the Office of the School of Education and Community Studies on (02) 6201 5147.

Graduate Diploma in Community Counselling (484AA)

Award: Graduate Diploma in Community Counselling

Faculty: Faculty of Health

CRICOS Code: 003222F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course educates students as professional counsellors in a supportive learning environment with a focus on skills development and interactive teaching. The course covers a range of individual and group counselling models taught within research-informed and ethical frameworks. Graduates of this course are equipped to work in a wide variety of community counselling organisations and counselling teams such as drug and alcohol, youth, womens health and family support services. The course has a strong focus on experiential learning and self awareness, and will provide students with a wide range of skills and models for facilitating individual and group change processes. This course must be undertaken on a part-time basis over two years to meet the Psychotherapy and Counselling Federation of Australias Professional Training Standards, and to be eligible for membership of relevant professional associations who are members of PACFA.

Course Requirements

24 credit points comprising

- (a) Required units (21 credit points)
- (b) Restricted choice (3 credit points)

as set out below.

(a) Required: 21 credit points from the following required units:

7743 Counselling Skills and Models PG
7744 Counselling Theories and Concepts PG
7745 Ethical Frameworks for Counselling PG
7748 Counselling Placement and Supervision PG
7749 Group Counselling PG
tba Advanced Educations Studies 1

(b) Restricted choice: 3 credit points selected from the following units:

7746 Counselling Applications PG 1
7747 Counselling Applications PG 2

Typical Course Structure

Semester 1

YEAR 1

Semester 2

7743 Counselling Skills and Models PG	7745 Ethical Frameworks for Counselling PG
7744 Counselling Theories and Concepts PG	7746 Counselling Applications PG 1 or 7747 Counselling Applications PG 2
YEAR 2	
7748 Counselling Placement and Supervision PG	7749 Group Counselling PG
	tba Advanced Education Studies

Course Duration

Standard: 4 semesters 2 years
Maximum: 8 semesters 3 years

Admission Requirements

Applicants must have completed an undergraduate degree or equivalent qualification in a relevant discipline, demonstrate a minimum of 2 years relevant experience in a helping role, paid or voluntary, by submission of a CV including the names of 2 referees, and attend a pre-admission interview at the University of Canberra, demonstrating fundamental capacities for professional relationships and self awareness. Qualifications and experience are in an area of the human services such as teaching, nursing, pastoral care or welfare.

Additional requirements: Students may be required to undergo Police Checks and Working with Children Checks to be accepted for a placement by an agency and to meet the requirements of the 6cp unit Counselling Placement and Supervision.

Assumed Knowledge

Applicants are expected to have qualifications, experience in an area of the human services such as teaching, nursing, pastoral care or welfare, as well as demonstrating fundamental capacities for professional relationships and self awareness.

Subsumable awards

The Graduate Certificate in Community Counselling.

Course Enquiries

Students needing course advice should contact the course convener. Further assistance may be obtained from the Office of the School of Professional and Community Education.

Graduate Certificate in Community Counselling (485AA)

Award: Graduate Certificate in Community Counselling

Faculty: Faculty of Health

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This introductory counselling course equips students from a range of disciplines and professional backgrounds, including teaching, nursing, pastoral care, human resource management and welfare, to develop counselling skills and a theory base for use in their current professional or voluntary roles. The course has a strong focus on experiential learning and self awareness, and provides students with a range of skills for facilitating processes of individual change.

Graduate Certificate in Legal Studies (551AA)

Award: Graduate Certificate in Legal Studies

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880140

CRICOS Code: 064488G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Graduate Certificate in Legal Studies is designed to provide the most basic foundation in legal method and skills and the ability to pursue study interests by selecting from a wide variety of disciplines in the law related to the students interests and requirements. This provides flexibility for graduates working, or intending to work, in government, the teaching profession and the private sector. The course aims as a whole to develop in graduate and mature students meeting entry requirements an awareness of the nature and operation of the law and the legal system, and to provide those employed in those sectors with a working understanding of areas of law of particular vocational relevance and interest. Depending on the units taken, it may provide status towards the Juris Doctor or Master of Legal Studies degrees or the Graduate Diploma in Legal Studies.

Admission is open to graduates of any discipline other than law from a recognised Australian tertiary institution and to mature students who wish to start tertiary studies and meet minimum entry requirements. Graduates who hold a degree in any discipline from a foreign university may also be permitted to undertake the course. Students are encouraged to seek advice from the Course Convener in their choice of subjects, whether or not they intend ultimately to pursue a graduate degree in law.

Course Requirements

At least 12 credit points comprising:

(a) Restricted choice (12 credit points)
as set out below.

(a) Restricted Choice (12 credit points) selected from the list below:

(a1) Either (i) or (ii) below:

(i)

Bachelor of Business Informatics (706AA)

Award: Bachelor of Business Informatics

Faculty: Faculty of Science and Technology

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Bachelor of Business Informatics (BBI) is an interdisciplinary undergraduate degree program providing a bridge between business and information technology areas. The purpose of the Bachelor of Business Informatics (BBI) is to graduate students who are Information and Communications Technology (ICT) professionals. An important primary role for graduates is that of business analyst, a person who designs or redesigns 'systems' (both manual and IT) to meet business requirements. Other roles are as an information analyst, who investigates information needs and designs systems to support them, a system architect, who is concerned with integration of business systems, and as an information systems manager who deals with areas such as service provision and outsourcing.

These people need to understand the intent and context of systems. They must be able to address issues of work practice and information needs beyond purely IT based solutions. They must understand people and organisations, including impacts of actions on the business as a whole and interactions between people rather than just interfaces to computer systems.

This degree develops the necessary theoretical frameworks and skills using an integrated sequence of subjects drawn from the business and information systems disciplines, bringing them together through case studies and an internship in the final year.

Appropriate selection of an elective sequence allows for deeper exploration of areas such as:

- *Professional areas such as:* health (giving "health informatics"), public sector management (giving "government informatics"), law, education, community development, cultural heritage management, sports administration, tourism, public relations.
- *Information Technology:* software engineering, knowledge and information management.
- *Business:* accounting, economics, marketing, finance, applied statistics, quantitative decision making, project evaluation, entrepreneurship.
- *People and work practices:* sociology, applied psychology, human resource management, communication, design.

Students completing the BBI will be eligible to join the Australian Computer Society.

Course Requirements

72 credit points comprising:

- (a) Required (54 credit points)
 - (b) Restricted choice (6 credit points)
 - (c) Open electives (12 credit points)
- as set out below.

(a) Required (54 credit points):

Information Systems (BBI) major (restricted) (21 credit points)
Business units (12 credit points)
4207 Introduction to Management
5617 Accounting for Managers
4818 Organisational Behaviour
7079 Organisational Performance
Business Informatics (BBI) major (restricted) (21 credit points)

(b) Restricted choice for Business Informatics electives (6 credit points)

:
7163 Information Systems Management
7161 General Systems Theory
7069 Governance in an Information Age
6919 Geographic Information Systems
7371 Strategic Management
7162 Information Security
7172 System Testing

Other unit(s) as approved by the course convener.

(c) Open electives (12 credit points): Four (4) electives, which may be a minor, from any disciplines within the University. In choosing open electives, students are reminded that the maximum number of level 1 credit points in a course is 30.

Typical Course Structure

Semester 1

YEAR 1

6348 Information Systems in Organisations
4207 Introduction to Management
5617 Accounting for Managers
Open elective 1

YEAR 2

6389 Designing Human-Computer Interaction
5123 Business Statistics
7079 Organisational Performance
Open elective 3

YEAR 3

7344 Business Informatics Internship (part A)

Semester 2

5915 Database Design
4818 Organisational Behaviour
4493 Professional Communication Skills
Open elective 2

6365 Systems Analysis and Modelling
7173 Systems Project and Quality Management
7087 Sociology of Technology and Work
Open elective 4

7385 Business Informatics Internship (part B)

7156 Business Intelligence Systems
6388 Document and Workflow
Management
Business Informatics elective 1

7155 Business Informatics Case Studies
7034 Information Law
Business Informatics elective 2

Course Duration

6 semesters full-time; equivalent part-time: maximum 20 semesters.

Admission Requirements

Applicants must meet normal University requirements for admission to an undergraduate course or hold qualifications deemed to be equivalent by the University's Admissions Committee.

Assumed Knowledge

ACT: Mathematical Applications major.
NSW: Mathematics.

Professional Recognition

This course is fully accredited with the Australian Computer Society and the Association of Information Systems.

Subsumable awards

Some articulation arrangements with the Canberra Institute of Technology have been agreed, while others are still being examined. All are on a unit by unit basis. Discussions have commenced with the University of Canberra College for an articulation arrangement on a unit by unit basis.

Master of Business Administration (723AA)

Award: Master of Business Administration

Faculty: Faculty of Business, Government & Law

Offered Locations and Delivery Modes:

- **Inst Advanced Learning Campus**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -
- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Master of Business Administration (MBA) is designed to develop and enhance the management competencies of current and future business leaders locally, nationally and globally. In addition to developing competencies in the core management areas of accounting & finance, marketing, managing people, economics, data analysis and understanding the international business environment, there is a focus on ethical and strategic decision making. There is also the opportunity to study elective subjects in areas of special interest.

The MBA is based on coursework and is presented in a range of teaching formats including lectures, tutorials, seminars and workshops. It is offered in the mainstream and flexible weekend delivery modes and is designed to enable practicing managers and other professionals to transfer learning immediately to the workplace. The broad aim of the course is to offer individuals aspiring to either general management or senior functional management roles, the opportunity to develop competencies relevant to the effective management of enterprises. Specific objectives of the MBA are:

- (a) to provide for graduates a professional masters degree level course in business administration;
- (b) to equip graduates with a theoretical and practical education in business administration which will be relevant to both private and public sector employment;
- (c) to meet the needs of full and part-time graduates students from Australia and the Asia-Pacific region who wish to pursue professional graduate studies in management.

In terms of learning outcomes it is expected that graduates will be able to:

- (a) plan and manage successfully in an increasingly complex and turbulent national and international environment, but within the framework of societal values;
- (b) demonstrate high levels of analytical, problem solving and communication skills;
- (c) apply a creative, innovative and ethical approach in seeking new business opportunities; and
- (d) act as an agent of change in organisational transformation.

Course Requirements

At least 36 credit points as set out in (a) and (b), including at least 12 credit points at PG level.

- (a) 27 credit points from the following 9 required subject:
6264 Organisational Behaviour G

6221 Accounting for Managers G
6261 Marketing G
6234 Economics for Managers G
6241 International Business G
6275 Statistical Analysis & Decision Making G or elective subject if Statistics previously completed at tertiary level
6224 Business Finance PG
6255 Management Ethics PG
6277 Strategic Management PG

(b) 9 credit points from the following subjects:

6238 Human Resource Management G
6243 International HRM PG
6259 Managers & the Law G
6244 International Marketing PG
6272 Services Marketing PG
6246 Internet Marketing PG
6253 Management Accounting PG
6242 International Financial Management PG
6247 Introduction to E-Business G
6273 Special Topics in Business G
6226 Business Research Project PG
Other elective subjects approved by the course convener.

Course Duration

3 semesters full-time or 6 semesters part-time, maximum 8 semesters.

Admission Requirements

Applicants must have an undergraduate degree and two years relevant work experience or equivalent as approved by the University Admissions Committee or have completed the Graduate Diploma in Business Administration.

Subsumable awards

Master in International Business, Master in Marketing, Master of International Finance, Master of Professional Accountancy, Master in Human Resource Management, Master of Public Administration.

Course Enquiries

Students are encouraged to seek course advice from the course convener. Further information may be sought from the Office of the School of Business.

Graduate Diploma in Business Administration (724AA)

Award: Graduate Diploma in Business Administration

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880195

CRICOS Code: 029992E

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Graduate Diploma in Business Administration (GDBA) is designed to build upon the knowledge and competencies gained in the Graduate Certificate of Business Administration (GCBA). It focuses on developing the skills and abilities required to lead and manage in complex, global and changing business environments by providing students with a sound understanding of the management disciplines of accounting & finance, marketing, managing people, economics, data analysis and international business. Elective studies provide the opportunity to extend this knowledge base. The GDBA enables career progression from specialist-based positions to middle and senior level managerial positions in both the public and private sectors. Completion of the Diploma enables progression to a masters including the MBA. Graduates of the GCBA may receive full credit. The course schedule is designed to meet the needs of both full- and part-time students through mainstream and weekend delivery options.

Course Requirements

At least 24 credit points as set out in (a) and (b).

(a) 18 credit points from the following 6 required subjects.

6264 Organisational Behaviour G

6221 Accounting for Managers G

6261 Marketing G

6234 Economics for Managers G

6241 International Business G

6275 Statistical Analysis & Decision Making G or elective if Statistics previously completed at tertiary level

(b) 6 credit points from the following subjects

6238 Human Resource Management G

6243 International HRM PG

6259 Managers & the Law G

6244 International Marketing PG

6272 Services Marketing PG

6246 Internet Marketing PG

6253 Management Accounting PG

6224 Business Finance PG

6242 International Financial Management PG

6247 Introduction to E-Business G

6255 Management Ethics PG
6273 Special Topics in Business G
Other elective subjects approved by the course convener.

Course Duration

2 semesters full-time or 4 semesters part-time or maximum 8 semesters.

Admission Requirements

Applicants must have an undergraduate degree or equivalent as approved by the University Admissions Committee or have completed the Graduate Certificate in Business Administration.

Subsumable awards

Graduate Diploma in International Business, Graduate Diploma in Marketing, Graduate Diploma in Financial Planning, Graduate Diploma in Professional Accounting; Graduate Diploma in Human Resource Management.

Graduate Certificate in Business Administration (725AA)

Award: Graduate Certificate in Business Administration

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880200

CRICOS Code: 029991F

Offered Locations and Delivery Modes:

- **UC Brisbane Campus**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -
- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Graduate Certificate in Business Administration is designed to introduce managers and future managers to the core functions of management and business administration as well as to develop their managerial and career potential. The course content focuses on financial analysis, marketing and the management of people and provides the opportunity to study an elective subject to extend this knowledge base. It provides a strong theoretical and practical introduction to graduate business and management studies. Completion of the Certificate enables progression to a Graduate Diploma, and Masters including the MBA. The course schedule is designed to meet the needs of both full- and part-time students through mainstream and weekend delivery options.

Course Requirements

At least 12 credit points as set out in (a) and (b).

(a) 9 credit points from the following 3 required subjects

6264 Organisational Behaviour G

6221 Accounting for Managers G

6261 Marketing G

(b) 3 credit points from the following subjects

6238 Human Resource Management G

6259 Managers & the Law G

6244 International Marketing PG

6272 Services Marketing PG

6246 Internet Marketing PG

6253 Management Accounting PG

6247 Introduction to E-Business G

6241 International Business G

6234 Economics for Managers G

6224 Business Finance PG

6275 Statistical Analysis & Decision Making G

6255 Management Ethics PG

6273 Special Topics in Business G
Other elective subjects approved by the course convener.

Advanced Standing:

Up to two subjects (50%) of advanced standing may be granted on the basis of equivalent subjects successfully completed at graduate level from a recognised tertiary institution. Australian National Business School (ANBS) students who complete over half their subjects at one University in the consortium graduate with the Graduate Certificate in Business Administration from that University.

Course Duration

1 semester full-time or 2 semesters part-time, maximum 4 semesters.

Admission Requirements

Applicants must have an undergraduate degree or the equivalent as approved by the University's Admissions Committee or not less than 7 years of relevant work experience prior to admission.

Subsumable awards

Graduate Certificate in Management; Graduate Certificate in Financial Planning, Graduate Certificate in Marketing, Graduate Certificate in Human Resource Management.

Course Enquiries

Students should seek course advice from the course convener. Further assistance may be obtained from the Office of the School of Business .

 - Part Time, Face-to-Face -

Introduction

The Master of International Business (MIB) is based on coursework. It is aimed at graduates interested in business training in the context of a globalised business environment. The MIB recognises the emergence of an international trade culture at all levels of business activity and that a manager's qualifications and competencies need to have the same international dimension. The program of study is designed to develop core business management skills and to provide the opportunity for more advanced studies concentrating on international aspects of trade. On completion of the program, graduates will have acquired the financial, marketing and people skills essential to the management role in a globally competitive business environment; advanced knowledge and understanding of the current dynamics in international business; and the ability to apply such knowledge to the operational mechanisms of international trade within its legal and ethical framework. The MIB provides graduates with a framework for developing a successful international business strategy and is suitable for business professionals, line managers, government advisers, consultants and those with international interests.

Course Requirements

At least 36 credit points as set out in (a) and (b), including at least 12 credit points at PG Level.

(a) 30 credit points from the following 10 required subjects.

6264 Organisational Behaviour G

Master of Professional Accounting (728AA)

Award: Master of Professional Accounting

Faculty: Faculty of Business, Government & Law

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Master of Professional Accounting is a coursework degree, based on three or four semesters of full time study or six semesters of part-time study. The course is designed for graduates who have not undertaken a major in accounting in their undergraduate degree or who have undertaken an accounting major with an educational institution incorporated outside Australia, and who wish to become accountants. Students who have undertaken an undergraduate degree with a major in accounting with an Australian institution are ineligible for entry to the degree. The course equips students with specialist skills in accounting and associated disciplines.

Course Requirements

36 credit points from the following subjects, including at least 12 credit points at PG level.

6221 Accounting for Managers G
6222 Accounting Systems & Practices G
6223 Auditing PG
6224 Business Finance PG
6225 Business Law G
6227 Company Accounting PG
6228 Contemporary Issues in Accounting PG
6231 Corporate Law & Practice G
6234 Economics for Managers G
6253 Management Accounting PG
6275 Statistical Analysis & Decision Making G
6279 Taxation Law & Practice G

Course Duration

Standard - 3 or 4 semesters full-time or part-time equivalent

Maximum - 8 semesters.

Admission Requirements

Applicants must have a degree or an award that, in the opinion of the University's Admissions Committee, is the equivalent of a three-year degree conferred by a tertiary institution recognised by the Board. There are no work experience requirements. Students who have undertaken an undergraduate degree with a major in accounting with an Australian institution are ineligible for entry to the degree.

Bridging requirements

The existing Master of Professional Accountancy (311) will be taught out. There are no other bridging requirements.

Advanced standing

Credit for a maximum of twelve (12) credit points may be granted for study at a graduate level undertaken at an Australian institution or equivalent.

When a student has already undertaken an equivalent subject or approved body of study at undergraduate level they will be exempted from the subject within the degree, up to a limit of four subjects, but will be required to undertake an alternative subject at graduate level approved by the course convenor. These students will still be required to complete or be granted credit for 36 credit points to be eligible to graduate.

Subsumable awards

Master of Business Administration.

Course Enquiries

Students should seek course advice from the course convener. Further assistance may be sought from the Office of the School of Business and Government.

Master of Human Resource Management (731AA)

Award: Master of Human Resource Management

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880175

CRICOS Code: 052829B

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Master of Human Resource Management is a coursework degree, based on three semesters of full time study or five semesters of part-time study. It is taught using a combination of flexible delivery with traditional teaching methods comprising lectures, tutorials and workshops. A number of subjects are available in intensive mode. The course is designed for graduates who wish to deepen their knowledge in the area of human resources and for general management practitioners who wish to acquire specialised knowledge in human resource management. The course equips students with specialist skills in employee recruitment and selection, training and development and performance management. The course also emphasises a strategic approach to the management of people in paid employment and on leadership development. Students are required to combine nine core units (27 credit points) with three elective units (9 credit points). This allows for the development of a professional body of knowledge plus some flexibility to construct a program around particular interests.

Course Requirements

- (a) 27 credit points Required units as set out below
(b) 9 credit points Approved electives as set out below

(a) Required units 27 credit points
6238 Human Resource Management G
6240 Industrial Relations G
6264 Organisational Behaviour G
6075 International Human Resource Mgt G
6269 Remuneration & Performance Management PG
6792 International Industrial Relations G
6250 Law of Employment G
6788 Staffing and Human Resource Development G
6791 Strategic Human Resource Management PG

(b) Approved electives 9 credit points

Any G or PG subjects from the Master of Business Administration program, or as approved by the course convener.

Course Duration

Standard - 3 semesters full-time, 6 semesters part time: Maximum - 8 semesters.

Admission Requirements

Applicants must have an undergraduate degree or equivalent as approved by the University's Admissions Committee.

Professional Recognition

The Master of Human Resource Management is accredited with the Australian Human Resources Institute (2005 - 2008).

Subsumable awards

Master of Management, Master of Public Administration, Master of Business Administration.

The Graduate Certificate in Human Resource Management and the Graduate Diploma in Human Resource Management are both subsumable within the Master of Human Resource Management.

Course Enquiries

Students should seek course advice from the course convener. Further assistance may be sought from the office of the School of Business and Government.

Master of Management (734AA)

Award: Master of Management

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880220

CRICOS Code: 057292A

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Master of Management is a coursework degree, based on three semesters of full-time study or six semesters of part-time study. It is taught using a combination of flexible delivery with traditional teaching methods comprising lectures, tutorials, seminars and workshops. Some subjects may be available in intensive mode. The course is designed to provide managers and those who will become managers with the necessary skills to be effective in the rapidly changing context of work and organisations. Students are required to combine seven core subjects (24 credit points) with four electives (12 credit points). This allows for a solid theoretical and professional foundation in strategically managing human and physical resources plus the flexibility to construct an elective program around particular interests.

Course Requirements

36 credit points as set out in (a) and (b), including at least 12 credit points at PG level.

- (a) 24 credit points required units
- (b) 12 credit points restricted choice

(a) 24 credit points from the following required units.

6260 Managing Government Finance G or 6221 Accounting for Managers G
6257 Management Theory & Practice G or 6264 Organisational Behaviour G
6238 Human Resource Management G
6261 Marketing G
6259 Managers & the Law G
7775 Leadership in Contemporary Organisations PG
7776 Managing Change and Innovation PG
6277 Strategic Management PG or 6278 Strategic Public Management PG

Students with an undergraduate degree in a management-related area may be permitted to substitute up to 18 credit points of additional electives for required units equivalent to those they have previously taken.

(b) 12 credit points selected from the following units.

6234 Economics for Managers G
6266 Public Administration G

6267 Public Admin at the Interface PG
6270 Research Methods PG or 6275 Statistical Analysis & Decision Making G
6256 Management Project PG
6240 Industrial Relations G
7548 Sociology of Technology and Work G
tba Organisational Performance G
6255 Management Ethics PG
Or other units at the discretion of the Course Convener

Typical Course Structure

Semester 1

YEAR 1

6264 Organisational Behaviour G
6238 Human Resource Management G
6259 Managers & the Law G
6261 Marketing G

YEAR 2

7775 Leadership in Contemporary
Organisations PG
7776 Managing Change and Innovation
PG
6277 Strategic Management PG
6234 Economics for Managers G

Semester 2

6260 Managing Government Finance G
6267 Public Admin at the Interface PG
tba Organisational Performance G

Course Duration

Standard - 3 semesters full-time; Maximum - 8 semesters.

Admission Requirements

Applicants must have a degree or equivalent as approved by the University's Admissions Committee and not less than 2 years of relevant work experience prior to admission.

Advanced standing: The Division will consider granting Advanced Standing up to a maximum of six units (18 credit points) for equivalent MMgt units from incomplete graduate level courses at other tertiary institutions.

Subsumable awards

Subsumable awards: The Graduate Certificate in Management and the Graduate Diploma in Management are both subsumed within the Master of Management.

Course Enquiries

Students should seek course advice from the course convener. Further assistance may be sought from the office of the School of Business and Government.

Master of Clinical Psychology (742AA)

Award: Master of Clinical Psychology

Faculty: Faculty of Health

University Admissions Centre (UAC) Course Code: 880710

CRICOS Code: 049512E

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

This course is designed to train psychology graduates to work as clinical psychologists, providing the 5th and 6th years of training required for Membership of the Australian Psychological Society and for Associate Membership of the APS College of Clinical Psychologists, and the two years of supervised practice required for full registration as a psychologist. The course emphasises the acquisition of clinical psychological knowledge and skills, as well as the further development of an understanding of psychological research, particularly to facilitate ongoing professional development. A major teaching strategy is the adoption of a problem-solving approach to learning to strengthen the acquisition of practical skills. The course also introduces students to the applications of health psychology and forensic psychology in clinical practice.

Course Requirements

At least 48 credit points from the following subjects:

6301 EBT of Problems in Adults PG1
6302 EBT of Problems in Adults PG2
6303 EBT of Problems in Children & FamiliesPG
6304 Advanced Psychological Assessment PG
6305 Advanced Counselling Psychology PG
6306 Professional Psychological Practice PG
6307 Forensic Psychology for Clinicians PG
6308 Health Psychology for Clinicians PG
6309 Research Project - Preparation PG
6310 Research Project - Implementation PG
6311 Research Project - Data Analysis PG
6312 Master of Psychology Thesis PG
6313 Practicum Placement PG1
6314 Practicum Placement PG2
6315 Practicum Placement PG3
6316 Practicum Placement PG4

Typical Course Structure

In each semester, a full-time student takes the two coursework subjects offered in that semester,

one research subject, and one practicum placement.

Semester 1

YEAR 1

6301 EBT of Problems in Adults PG1

6305 Advanced Counselling Psychology PG

6309 Research Project - Preparation PG

6313 Practicum Placement PG1

YEAR 2

6302 EBT of Problems in Adults PG2

6307 Forensic Psychology for Clinicians PG

6311 Research Project - Data Analysis PG

6315 Practicum Placement PG3

Semester 2

6304 Advanced Psychological Assessment PG

6306 Professional Psychological Practice PG

6310 Research Project - Implementation PG

6314 Practicum Placement PG2

6303 EBT of Problems in Children & FamiliesPG

6308 Health Psychology for Clinicians PG

6312 Master of Psychology Thesis PG

6316 Practicum Placement PG4

Note: The coursework units are only offered every second years 2005 and 2007:

6302 EBT of Problems in Adults PG2 , 6307 Forensic Psychology for Clinicians PG , 6303 EBT of Problems in Children & FamiliesPG , 6308 Health Psychology for Clinicians PG .

2006 and 2008: 6301 EBT of Problems in Adults PG1 , 6305 Advanced Counselling Psychology PG ,6304 Advanced Psychological Assessment PG , 6306 Professional Psychological Practice PG .

Course Duration

Four semesters full-time or the equivalent part-time, to a maximum of twelve semesters.

Admission Requirements

Evidence of successful completion, preferably within the last 10 years, of a four-year APS-accredited sequence in psychology, or its equivalent, so that the applicant is eligible for Associate Membership of the Australian Psychological Society and registration with the ACT Psychologists' Board. Applicants are expected to have achieved a Grade Point Average of 5.0 or higher in their 4th year psychology Honours or Graduate Diploma course. Applicants who need to satisfy English language proficiency are required to have an over all Academic IELTS band score of 6.5, including a score of at least 7.00 in both the writing and speaking components and no component less than 6.0.

NOTE: Applicants for the Master of Clinical Psychology are also required to provide two referees' reports.

Master of Marketing Management (760AA)

Award: Master of Marketing Management

Faculty: Faculty of Business, Government & Law

University Admissions Centre (UAC) Course Code: 880235

CRICOS Code: 052830J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is designed to equip students for managerial positions requiring a broad understanding of marketing and its essential role within the organisation. It is suitable for students who are working in a marketing area and want to complement their practical knowledge with a sound theoretical base, or those contemplating a career in a marketing field.

The course is designed to provide a comprehensive program for those students with no prior studies in Marketing as well as those who have taken a major in Marketing in their undergraduate studies. All graduates will have a grounding in the core areas of marketing, consumer behaviour, marketing research, international marketing, and marketing management, as well as knowledge of more specialised fields depending on their choice of electives.

Course Requirements

At least 36 credit points, **including at least 12 credit points at PG level:**(a) Required units (12 credit points)

(b) Restricted choice (24 credit points) as set out below.

(a) Required: 12 credit points from the following units:

6234 Economics for Managers G

6261 Marketing G

6262 Marketing Management PG

6263 Marketing Research Methods PG

Students who have covered the material of a required unit in their previous studies must, in consultation with the course convenor, substitute a unit from list (b)(i).

(b) Restricted choice:

(i) 12 credit points selected from the following units:

6221 Accounting for Managers G

6230 Consumer Behaviour G *

Master of Physiotherapy (768AA)

Award: Master of Physiotherapy

Faculty: Faculty of Health

University Admissions Centre (UAC) Course Code: 880805

CRICOS Code: 050002F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The course caters for graduates of an appropriate undergraduate human biology degree to provide a focussed training in physiotherapy. The degree will incorporate lectures, laboratories and tutorial sessions with a strong professional practice component to provide students with the necessary knowledge, attitudes and clinical decision making skills required to practise as physiotherapists. A series of problem based clinical studies will further develop the skills and flexibility of students, allowing them to adapt to the challenges encountered in the delivery of physiotherapy in a wide variety of settings.

Professional experience will be gained in public hospitals and private practices in the ACT and surrounding region. This will be consistent with the guidelines for registration of physiotherapists approved by the Australian Physiotherapy Council. Clinical Log Book entries will supplement the clinical and professional aspects. Monitoring of the academic rigour will occur through a University of Canberra course consultative committee.

Course Requirements

At least 48 credit points, including at least 24 credit points at PG Level, comprising the following 16 units.

6449 Musculoskeletal Interventions 1 PG
6447 Cardiothoracic Interventions 1 PG
6450 Health Professional Practice 1 PG
7786 Neuromuscular Interventions PG
6448 Electrophysical Agents PG
6452 Neurological Interventions 1 PG
6454 Health Professional Practice 2 PG
6451 Evidence Based Practice PG
6453 Musculoskeletal Interventions 2 PG
6455 Cardiothoracic Interventions 2 PG
6458 Paediatric Interventions PG
6456 Neurological Interventions 2 PG
6457 Musculoskeletal Interventions 3 PG
6460 Physiotherapy in the Community PG
6459 Physiotherapy in Ageing PG
6462 Physiotherapy in Specific Groups PG

Typical Course Structure

Note: Course commencing in the Second Semester (July, 2007)

Semester 2

second teaching period

YEAR 1

7786 Neuromuscular Interventions PG 6452 Neurological Interventions 1 PG
6449 Musculoskeletal Interventions 1 PG 6453 Musculoskeletal Interventions 2 PG
6450 Health Professional Practice 1 PG 6448 Electrophysical Agents PG
6447 Cardiothoracic Interventions 1 PG 6455 Cardiothoracic Interventions 2 PG

YEAR 2

6458 Paediatric Interventions PG 6460 Physiotherapy in the Community PG
6457 Musculoskeletal Interventions 3 PG 6451 Evidence Based Practice PG
6456 Neurological Interventions 2 PG 6454 Health Professional Practice 2 PG
6459 Physiotherapy in Ageing PG 6462 Physiotherapy in Specific Groups PG

Course Duration

4 semesters (not available part-time). Entry in semester 2 only, maximum 8 semesters.

Admission Requirements

Applicants will have a relevant degree in the Health Sciences or equivalent (including the subject areas of Functional Anatomy, Physiology of Exercise and Biomechanics) and have a history of above average grades. Admission will be competitive and applicants will be required to submit a short statement stating reasons for wishing to be admitted to the course.

Additional Requirements: All students in the Master of Physiotherapy course are required to undergo an Australian Federal Police Record Check prior to undertaking clinical experience in the ACT, and a NSW Police check before undertaking practice in NSW. The cost related to the check is currently \$36.00 (GST inclusive).

Prior to commencing clinical practice, all students need to present a complete immunisation schedule, and First Aid certificates including CPR, as a requirement of the ACT and NSW health departments.

An overall Academic IELTS band score of 7.0 with no component less than 6 is an entry requirement for OS students.

Professional Recognition

The course has successfully completed the first two stages (Provisional and 12 Month Accreditation) of the three stage of the Australian Physiotherapy Council accreditation process for new physiotherapy teaching programs. Successful progression into the final stage of accreditation (Full Accreditation) requires that there is evidence of a response to the feedback from graduates and employers. The course changes that are described in this submission are in response to graduate and employer feedback, as well as that of the Australian Physiotherapy Council (APC).

Course Enquiries

Students seeking course advice should contact the course convener, Dr Gordon Waddington, 12C7, (02) 6201 2737. Further assistance may be sought from the Office of the School of Health Sciences 3B51, (02) 6201 2009.

Bachelor of Science in Psychology (Honours) (769AA)

Award: Bachelor of Science in Psychology (Honours)

Faculty: Faculty of Health

CRICOS Code: 056139G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

This course is designed for psychology graduates seeking an accredited honours course in psychology, usually with a view to further study or registration as a psychologist. It emphasises an introduction to conducting and reporting psychological research and advanced study in psychological measurement and introduces some professional applications of psychology. It also introduces the use of ethical and legal codes applying to psychological practice.

Course Requirements

At least 24 credit points comprising the following components as set out in (a) & (b):

(a) Required (21 credit points)

7366 Honours Thesis in Psychology 12cp (6cp)

7375 Research Methods and Professional Ethics PG (part A) and 7410 Research Methods and Professional Ethics PG (part B)

6489 Psychological Measurement PG

(b) Restricted Choice - one of the following units (3 credit points)

6490 Advanced Psychological Topics A PG or

6491 Advanced Psychological Topics B PG or

6794 Advanced Psychological Topics C PG

Typical Course Structure

Semester 1

YEAR 1

7375 Research Methods and Professional Ethics PG (part A)

7366 Honours Thesis in Psychology 12cp (6cp)

6489 Psychological Measurement PG

Semester 2

7410 Research Methods and Professional Ethics PG (part B)

7366 Honours Thesis in Psychology 12cp (6cp)

6490 Advanced Psychological Topics A PG **or**

6491 Advanced Psychological Topics B
PG **or**
6794 Advanced Psychological Topics C
PG

Course Duration

2 semesters full-time, or part-time equivalent; maximum 6 semesters.

Admission Requirements

Completion of an Australian Psychological Society (APS) -accredited 3 year major in psychology, or a course deemed equivalent by the APS, within the last 10 years; and top credit average (Grade Point Average of 5.0) or higher in the undergraduate psychology units; and a credit or higher grade in a third year unit on psychological research and data analysis, or its equivalent.

Assumed Knowledge

As covered in an undergraduate course in Psychology.

Professional Recognition

Accreditation by The Australian Psychological Society.

Course Enquiries

For detailed course advice, students should contact the course convener. Further assistance may be obtained from the Applied Psychology Office 3B25, (02) 6201 2653.

Bachelor of Arts in International Studies (793AA)

Award: Bachelor of Arts in International Studies

Faculty: Faculty of Arts and Design

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This degree gives students the opportunity to attain intercultural understandings and develop conceptual knowledge of international issues. Foreign language study provides in-depth cultural insight and an enhanced ability to function at an international level. International Studies investigate the interplay of cultural, political and economic forces in the global arena. The option of a Professional Major enhances career prospects with international focus. A highly recommended international exchange semester provides first-hand international experience.

Upon completion of this degree students will have: high level analytical and critical thinking skills; communicative competence in a language other than English; an understanding and appreciation of cultural diversity; an understanding of the cultural and political forces that influence communication and cooperation or conflict between cultures and nations; an understanding of theories relating to the study of culture, politics and communication in the context of globalisation; well developed intercultural awareness.

Course Requirements

STREAM A

72 credit points comprising:

- (a) required components 30 credit points
 - (b) restricted choice 24 or 18 credit points *
 - (c) open electives 18 or 24 credit points *
- as set out below.

* Students in Stream A may choose to undertake an 18 credit point Language Major. Students selecting an 18 credit point restricted choice Language Major must complete the following:

30 credit point required components

18 credit point restricted choice (Language major)

24 credit point open electives

(a) Required components: 30 credit points

International Studies Major (Stream A) (24 credit points)

Required units (6 credit points)

675 Politics and Democracy

4013 Communication Traditions

(b) Restricted choice (24 credit points): Language Major

Students may choose a language in which they do not have native speaker competence from

Chinese, Japanese or Spanish. International students from non-English speaking backgrounds may choose the major in English Language and Literature as their language major. (A language offered at another tertiary institution may be taken under cross-institutional arrangements.)

UC Language majors available are:

Chinese: Beginning; Chinese: Continuing; Chinese: Intermediate-Advanced

Japanese: Beginning; Japanese: Continuing; Japanese: Intermediate-Advanced

Spanish: Beginning; Spanish: Continuing; Spanish: Intermediate-Advanced

(c) Open electives (18 credit points) In choosing open electives, students are reminded that the maximum number of level 1 credit points is 30 in the total 72 credit points of the degree.

STREAM B:

72 credit points comprising:

(a) required components 18 credit points

(b) restricted choice 42 credit points

(c) open electives 12 credit points

as set out below.

(a) Required (18 credit points): International Studies Major (Stream B)

(b) Restricted choice (42 credit points)

(i) Language Major (18 credit points)

Students may choose a language from Chinese, Japanese or Spanish, offered at UC.

International students from non-English speaking backgrounds may choose the major in English Language and Literature as their language major. (A language offered at another tertiary institution may be taken under cross-institutional arrangements.)

UC Language majors available are:

Chinese: Beginning; Chinese: Continuing; Chinese: Intermediate-Advanced

Japanese: Beginning; Japanese: Continuing; Japanese: Intermediate-Advanced

Spanish: Beginning; Spanish: Continuing; Spanish: Intermediate-Advanced

(ii) Professional Major (18 credit points)

Students may choose a professional major from the following: Tourism Management; Marketing; Economics; Management; Cultural Heritage Management; Computer Information Systems; Legal Studies; Public Relations; Journalism; Advertising; TESOL

or any other professional major approved by the course convener.

(iii) Restricted choice (6 credit points)

A further 6 credit points should be chosen from one or more of the above majors: the language major, the International Studies major, or the professional major.

(c) Open electives (12 credit points)

In choosing open electives, students are reminded that the maximum number of level 1 credit points is 30 in the total 72 credit points of the degree.

Bachelor of Arts/Bachelor of Management (802AA)

Award: Bachelor of Management, Bachelor of Arts

Faculty: Faculty of Arts and Design

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Bachelor of Arts degree provides a flexible preparation for many areas of vocational and professional employment, as well as the broad perspective required for informed citizenship. A four-unit Liberal Arts Foundation sequence, with choices at individual unit level, combines with a choice of Arts majors to complete the requirements of an Arts degree.

The Bachelor of Management is designed for those who are making, or who plan to make, their careers in management in the business, public and non-governmental sectors. It is suitable both for those who have recently completed secondary studies and for those with some work experience. The course combines conceptual understanding and a practical orientation in Management, with majors in Government and Politics, and Management, Governance and Policy.

A single degree may be taken out when at least 72 credit points have been attained and the requirements of that degree met.

Course Requirements

96 credit points comprising -

- (a) Required units (36 credit points)
 - (b) Restricted choice (36 credit points)
 - (c) Open electives (24 credit points)

Bachelor of Management/Bachelor of Laws (829AA)

Award: Bachelor of Management, Bachelor of Laws

Faculty: Faculty of Business, Government & Law

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is for undergraduates who seek to combine a law degree with a professional management qualification in order to enhance their attractiveness to employers. The course is fully accredited as a basis for admission to practice law in Australia.

The degree has a focus upon corporate and commercial law, with minors in other areas to cater for student preferences. The Teaching Program is enhanced by research strengths with student opportunities to be involved in UC's National Centre for Corporate Law, the National Institute of Governance and e-Justice and Court of the Future Networks.

Opportunities exist for law internships and international study through linkages with Law firms, governments and overseas universities.

Small class sizes are combined with highly qualified staff and state-of-the-art facilities, including on-campus and remote access to all major online legal databases. Graduates from the course have a record of outstanding employment opportunities and high starting salaries.

The Bachelor of Management is designed for those who are making, or who plan to make, their careers in management in the business, public and non-governmental sectors. It is suitable both for those who have recently completed secondary studies and for those with some work experience. The course combines conceptual understanding and a practical orientation in Management, with majors in Government & Politics and Management, Governance & Policy.

The single degree of Bachelor of Management may be taken out when 72 credit points have been attained and the requirements of the degree met.

Course Requirements

120 credit points as follows:

- (a) Required (108 credit points)
- (b) Restricted choice (12 credit points of Law Electives)

(a) Required (108 credit points) comprising:

48 credit points from discipline of Government components as follows:

Management Foundation Minor (12 credit points)

Management Required units (12 credit points)

6606 Government-Business Relations

4818 Organisational Behaviour

7079 Organisational Performance

Management Required units (12 credit points)
Government-Business Relations
Organisational Behaviour
Organisational Performance
Strategic Management

Bachelor of Management Restricted Choice Major (18 credit points)

selected from the following:

Government and Politics (18 credit points)

Management, Governance and Policy (18 credit points)

Open elective units (6 credit points)

(b) Restricted Choice (12 credit points) of Law Electives from a list to be advised.

Requirements for Law Degrees with Honours: The degree of Bachelor of Laws may be awarded with first or second class honours. To be eligible to undertake studies at honours level, a student must satisfy the following minimum criteria:

During their law studies, a student seeking admission to the Honours program must:

- achieve at least a credit average in all law subjects undertaken at the University of Canberra, this being determined by averaging their scores in all eligible units;

- following submission of an Honours thesis proposal as part of their studies in the unit Advanced Research and Writing (3cp), have obtained at least a credit grade for a substantial piece of legal writing of 5000-7000 words in the elective units Law Honours.

Law degrees with Honours will be awarded in the following classes depending on the score obtained: Second Class - Division 2; Second Class - Division 1; and First Class.

Bachelor of Science in Psychology/Bachelor of Laws (833AA)

Award: Bachelor of Laws, Bachelor of Science in Psychology

Faculty: Faculty of Health

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The degree in psychology provides the basic academic training required for those wishing to qualify as a professional psychologist. A solid grounding is provided in all areas of psychology including learning, cognition, social and development psychology, psychopathology, perception, biological bases of behaviour, individual differences and statistics. With the growing complexity of psychological knowledge, postgraduate study after a three year degree is essential for professional practice. Students are able to graduate with the degree of Bachelor of Science in Psychology at the end of three years.

The law degree prepares students for employment in the legal profession as either solicitors or barristers. It has a strong practical and skills orientation, and equips students with competencies in the basic areas of legal practice. It also has a strong commercial orientation which meets the educational requirements of graduates, thus making it attractive to other professions especially those from accounting, finance or administration. The course is designed for students intending to practise in law or accounting firms, or in the government. The capacity to enter legal practice gives graduates the flexibility to change careers if necessary.

Course Requirements

120 credit points as follows:

- (a) Required (99 credit points)
- (b) Restricted choice (12 credit points)

Refer to assumed knowledge entries for individual courses.

Professional Recognition

This program is recognised by the Supreme Court of the Australian Capital Territory and the State of NSW. Through mutual recognition, UCs degree may serve as the basis for admission in all Australian jurisdictions.

Through a program offered in conjunction with the College of Law, students may (in their final year of the Bachelor of Laws at UC) begin their Graduate Diploma in Legal Practice course that qualifies them for admission.

We also have articulation with programs leading to admission in the UK and eligibility to sit for and preparation for the NY Bar and admission to practice in the United States.

Bachelor of Software Engineering/Bachelor of Business Informatics (838AA)

Award: Bachelor of Business Informatics, Bachelor of Software Engineering

Faculty: Faculty of Science and Technology

CRICOS Code: 056138G

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The combined Bachelor of Software Engineering (BSE) and Bachelor of Business Informatics (BBI) degree will help you develop the strongest possible knowledge of information systems, information technology and their relationship to supporting business. With your knowledge of how to design and build systems, and how to support business endeavours, your skills and knowledge will be in high demand from employers. Primary roles for graduates will include business analyst, information analysts, system architect, and system builders of both manual and IT systems to meet business needs.

Graduates will be able to understand the needs of business and be able to bring their skills to bear to develop solutions to solve those business problems. Work practice issues and the intent and context of the systems are also addressed in this combined degree.

During your degrees you will be exposed to a variety of business languages (e.g. accounting, management, statistics). You will learn how to apply this knowledge by undertaking an internship with industry as well as complete an IT project for an industry-based client taking the project from conception, through analysis, design, development (programming), testing, and implementation to support and handover.

Course Requirements

96 credit points comprising -
(a) Required (90 credit points)
(b) Open electives (6 credit points)
as set out below.

(a) Required (90 credit points)

:

Information Systems (BSE/BBI) major (18 credit points)
Business units (12 credit points)
4207 Introduction to Management
5617 Accounting for Managers
4818 Organisational Behaviour
7079 Organisational Performance
Business Informatics (BSE/BBI) major (restricted) (18 credit points)

Software Engineering (BSE/BBI) major (21 credit points)
 Applied Software Engineering (BSE/BBI) major (21 credit points)
(b) Open electives (6 credit points)

: Choice of any units from any disciplines within the University provided the course as a whole contains no more than 36 credit points at Level 1.

Typical Course Structure

Semester 1

YEAR 1

6348 Information Systems in Organisations
 4478 Introduction to Information Technology
 5531 Introduction to Software Engineering
 6698 Discrete Mathematics

YEAR 2

6389 Designing Human-Computer Interaction
 7171 System Software
 4207 Introduction to Management
 7170 Software Technology 2

YEAR 3

5617 Accounting for Managers
 7165 Object Oriented Software Design
 6388 Document and Workflow Management
 7079 Organisational Performance

YEAR 4

7344 Business Informatics Internship (part A)
 7156 Business Intelligence Systems
 7169 Software Engineering Practice OR
 7173 Systems Project and Quality Management
 Open Elective 2

Semester 2

5915 Database Design
 7089 Mathematics for Information Sciences
 OR 5123 Business Statistics
 4483 Software Technology 1
 4493 Professional Communication Skills
 6365 Systems Analysis and Modelling
 4818 Organisational Behaviour
 6691 Web Design and Programming G
 7087 Sociology of Technology and Work

7159 Distributed Systems Technology
 7167 Security and Support in IT
 7034 Information Law
 Open Elective 1

7385 Business Informatics Internship (part B)
 7155 Business Informatics Case Studies
 7164 Information Technology Project

Course Duration

8 semesters full-time; equivalent part-time. maximum 20 semesters.

Admission Requirements

Applicants must meet normal University requirements for admission to an undergraduate course or hold qualifications deemed to be equivalent by the University's Admissions Committee.

Assumed Knowledge

Refer to assumed knowledge entries for individual courses.

Professional Recognition

Accreditation for this course will be sought with the Australian Computer Society.

Course Enquiries

Further assistance may be sought from the Office of the School of Information Sciences & Engineering.

Graduate Diploma in Statistics (839AA)

Award: Graduate Diploma in Statistics

Faculty: Faculty of Science and Technology

University Admissions Centre (UAC) Course Code: 880162

CRICOS Code: 074426F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Graduate Diploma in Statistics is designed for graduates who have not previously studied Statistics extensively at tertiary level and who wish to upgrade their skills in this area. On successful completion of the course, students will have the skills to apply statistical procedures in the workplace with confidence and understanding. Topics covered include nonparametric statistics; survey design and analysis; experiment design and analysis; regression modelling; and multivariate statistics. Students can also choose from a variety of professional electives including econometrics, business decision models, and units from other fields such as microeconomics or macroeconomics.

Course Requirements

24 credit points comprising:

- (a) Required units (21 credit points)
 - (b) Restricted choice (3 credit points)
- as set out below.

(a) Required (21 credit points):

Introductory units:

- 6553 General Mathematics G
- 6554 Introduction to Statistics G

Professional units:

- 6556 Nonparametric Statistics G
- 6552 Experiment Design and Analysis G
- 6558 Survey Design and Analysis G
- 6557 Regression Modelling G
- 6555 Multivariate Statistics G

(b) Restricted choice (3 credit points):

One professional elective, to be selected from:

- 6550 Business Decision Models G
- 6551 Econometrics G

or another unit subject to approval by the Course Convener.

Typical Course Structure

Semester 1

YEAR 1

6553 General Mathematics G

6554 Introduction to Statistics G

YEAR 2

6558 Survey Design and Analysis G

YEAR 3

6557 Regression Modelling G

Semester 2

6556 Nonparametric Statistics G

Professional Elective

6555 Multivariate Statistics G

Course Duration

5 semesters, part-time; maximum 8 semesters.

Admission Requirements

Undergraduate degree course not including a major in Statistics. Advanced standing may be granted for one or both of the introductory units.

Assumed Knowledge

Mathematics to at least Year-12 level.

Professional Recognition

Accreditation with the Statistical Society of Australia Inc. may be sought by students who successfully complete the Graduate Diploma in Statistics.

Course Enquiries

Graduate Diploma in Business Informatics (844AA)

Award: Graduate Diploma in Business Informatics

Faculty: Faculty of Science and Technology

University Admissions Centre (UAC) Course Code: 880255

CRICOS Code: 071684A

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Graduate Diploma of Business Informatics is an interdisciplinary course that develops information technology professionals, in particular business analysts, who can mediate between business units and IT. A business analyst is a person who understands organisations on the one hand and the capabilities and limitations of information technology on the other. Additional roles of the GDBI graduate are as an information analyst, who investigates information needs and designs systems to support them; a system architect, who is concerned with integration of business systems; and as an information systems manager who deals with areas such as service provision and outsourcing.

These people need to understand the intent and context of systems. They must be able to address issues of work practice and information needs beyond purely IT based solutions. They must understand people and organisations, including impacts of actions on the business as a whole and interactions between people rather than just interfaces to computer systems.

Course Requirements

24 credit points, comprising:

- (a) Required units (6 credit points)
 - (b) Restricted choice (18 credit points)
- as set out below.

(a) Required (6 credit points):

6675 Information Systems in Organisations G

6678 Systems Project and Quality Management G

(b) Restricted choice (18 credit points)

Six units (18 credit points) from the list of G or PG level units below. In addition, a minimum of four units (12 credit points) that are considered to be IT related must be included in the restricted choice units. The units considered to be IT related are marked below with a #.

Students must select units that they have not previously undertaken in their UG or G studies.

G level units

6221 Accounting for Managers G

6550 Business Decision Models G

6672 Database Design G #

6673 Designing Human-Computer Interaction G #
 6674 Document and Workflow Management G #
 6235 Entrepreneurship G
 6238 Human Resource Management G
 6264 Organisational Behaviour G #
 7777 Organisational Performance G
 7548 Sociology of Technology and Work G #
 6275 Statistical Analysis & Decision Making G #
 6677 Systems Analysis and Modelling G #
 or another G or PG level unit approved by the course convenor.

PG level units

Please note that some units have prerequisites and units with an * also require two years of relevant work experience.

6224 Business Finance PG *
 7106 Business Informatics Case Studies PG # *
 6680 Business Intelligence Systems PG #
 7188 Current Issues in Business Informatics PG # *
 7192 General Systems Theory PG #
 7194 Informatics Project PG # *
 6978 Information Sciences Extension Studies 1 PG #
 6979 Information Sciences Extension Studies 2 PG #
 6633 Information Law PG #
 6682 Information Security PG #
 7109 Information Systems Management PG #
 6683 IT and Business Alignment PG # *
 6688 Knowledge Management Systems PG #
 6255 Management Ethics PG *
 7720 Requirements and Project Management PG #
 7196 Social Informatics PG # *
 6690 System Testing PG #
 7721 Technology Project PG #
 or another subject at PG level approved by the course convenor.

Typical Course Structure

Semester 1

YEAR 1

6675 Information Systems in
Organisations G

G Level Unit

G Level Unit

G Level Unit

Semester 2

6678 Systems Project and Quality
Management G

G Level Unit

G Level Unit

G Level Unit

Course Duration

2 semesters full-time; 4 semesters part-time; maximum 10 semesters.

Admission Requirements

A Bachelor degree from Australia or a recognised overseas institution. Students who do not hold a Bachelor degree may be able to gain course admission on the basis of Equivalent Graduate Status. For more information on this process contact the University's Admissions Office. No previous IT knowledge is assumed.

Assumed Knowledge

Fluency in the use of desktop computers (eg for everyday work) and excellent English spoken and written communication skills.

Professional Recognition

The course will be eligible for accreditation by the Australian Computer Society at Associate level.

Subsumable awards

Graduate Certificate in Business Informatics after completing 12 credit points.
The Graduate Diploma of Business Informatics is subsumable within the Master of Business Informatics. Entry into the final semester of the MBI requires two years relevant work experience. A student with a GDBI may apply for advanced standing in the Master of Information Technology (MIT).

Course Enquiries

For further information please contact the Office of the School of Business & Government.

Master of Business Informatics (845AA)

Award: Master of Business Informatics

Faculty: Faculty of Science and Technology

CRICOS Code: 071685M

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Master of Business Informatics is an interdisciplinary course that develops information technology professionals, in particular business analysts, who can mediate between business units and IT. A business analyst is a person who understands organisations on the one hand and the capabilities and limitations of information technology on the other. Additional roles of the MBI graduate are as an information analyst, who investigates information needs and designs systems to support them; a system architect, who is concerned with integration of business systems; and as an information systems manager who deals with areas such as service provision and outsourcing.

These people need to understand the intent and context of systems. They must be able to address issues of work practice and information needs beyond purely IT based solutions. They must understand people and organisations, including impacts of actions on the business as a whole and interactions between people rather than just interfaces to computer systems.

Course Requirements

36 credit points, comprising:

(a) Required units (12 credit points)

(b) Restricted choice (24 credit points)

as set out below.

(a) Required (12 credit points):

6675 Information Systems in Organisations G

6678 Systems Project and Quality Management G

6683 IT and Business Alignment PG

7106 Business Informatics Case Studies PG

(b) Restricted choice (24 credit points)

Eight units (24 credit points) from the list below with a minimum of four units (12 credit points) at PG level. In addition, a minimum of four units (12 credit points) that are considered to be IT related must be included in the restricted choice units. The units considered to be IT related are marked below with a *.

G level units

 G or PG Level Unit
 G or PG Level Unit

Course Duration

3 semesters full-time; 6 semesters part-time; maximum 10 semesters.

Admission Requirements

A Bachelor degree from Australia or a recognised overseas institution and at least two years of work experience relevant to Informatics practice.

OR

Graduate Certificate or Graduate Diploma in Business Informatics from the University of Canberra and two years of work experience. The four or eight units studied in the Graduate Certificate or Graduate Diploma will be credited to the Master of Business Informatics.

Advanced Standing

Advanced standing may be granted for up to 4 units (12 credit points). A student given advanced standing for previous graduate studies or for an undergraduate degree with a major in Information Systems and at least two years of relevant work experience. A student given advanced standing must take at least 4 units (12 credit points) at PG level to complete the degree.

Assumed Knowledge

Fluency in the use of desktop computers (eg for everyday work) and excellent English spoken and written communication skills.

Professional Recognition

The course will be eligible for professional (full) accreditation by the Australian Computer Society.

Subsumable awards

Graduate Certificate in Business Informatics after completing 12 credit points. Graduate Diploma in Business Informatics after completing 24 credit points.

Doctor of Philosophy in Management (853AA)

Award: Doctor of Philosophy

Faculty: Faculty of Business, Government & Law

CRICOS Code: 054189B

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Doctor of Philosophy program in management provides research training in applied aspects of management. The program consists of a substantial thesis in a topic from any area of business management, cross-cultural management, diversity management, general management, human resource development, human resource management, international management, organizational behaviour, organizational theory, performance management and strategic management.

Course Requirements

The Doctor of Philosophy program in Management is made up of a 72-credit point thesis. Students enrol in 6565 Doctoral Thesis in Management R FT or 6661 Doctoral Thesis in Management R PT.

Typical Course Structure

Students will be required to write a thesis. There is no coursework component. Subject to University policy on supporting studies in the PhD program (Gold Book 3.2.2.4 et seq), where the Division believes that a student would benefit from one or more units in research methodology and/or research methods, it may recommend that such a unit (or units) are made a condition of candidature, in addition to the thesis requirement.

Course Duration

Normally 6 semesters or part-time equivalent, maximum 8 semesters or part-time equivalent.

Admission Requirements

As per Gold Book 3.2.4. Before a candidate will be admitted to the program, the Division must be satisfied that it is able to supervise the candidate's proposed thesis and that the candidate has sufficient prior research experience to allow him/her to complete the thesis. Candidates who have been admitted into the program will be required to submit a final research proposal and deliver a work-in-progress seminar during the first year of their candidature before this candidature is confirmed.

Course Enquiries

Students should seek course advice from the course convener. Further assistance is available from the Office of the School of Business & Government.

Honours in Information Sciences (860AA)

Award: Bachelor of Business Informatics (Honours), Bachelor of Information Technology (Honours), Bachelor of Software Engineering (Honours)

Faculty: Faculty of Science and Technology

CRICOS Code: 054169F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Honours program in Information Sciences is one year of study following an undergraduate degree in the areas of information sciences (including business informatics, information systems, software engineering, network engineering, mathematics and statistics). The award students study towards will be based on their undergraduate degree. The Course Convenor and the appointed supervisor will develop an appropriate program of study for the student. It is a rigorous program of study, half of which is spent on advanced course work, with the other half dedicated to an individual research project. The coursework component involves units in advanced areas of information systems, network engineering, software engineering and artificial intelligence. The project component involves a substantial individual project under detailed academic supervision. A formal thesis is submitted (nominally 10,000 words), and a seminar is presented.

Course Requirements

At least 24 credit points made up of coursework (12cp) and thesis (12cp) as follows.

The award students study towards will be based on their undergraduate degree. The Course Convenor and the appointed supervisor will develop an appropriate program of study for the student. Thesis examination and course completion will be assessed against the award the student has been nominated to be studying towards.

Required (24 credit points):

Coursework component:

Students have to select a total of 12 credit points of coursework comprising 6797 Inf. Sc. Research Methodology PG (3cp) and 9 credit points from PG level units offered by the School of Information Sciences and Engineering as approved by the Course Convener.

Thesis component:

Students are required to take 12 credit points of research work comprising 6799 Inf. Sc. Research Proposal H (3 credit points) and an honours thesis (9 credit points) : 7062 Inf. Sc. Honours Thesis H 9cp (3cp) or 7063 Inf. Sc. Honours Thesis H 9cp (6cp) .

Typical Course Structure

Semester 1

Semester 2

YEAR 1

6799 Inf. Sc. Research Proposal H

6797 Inf. Sc. Research Methodology PG

7062 Inf. Sc. Honours Thesis H 9cp

7062 Inf. Sc. Honours Thesis H 9cp

(3cp) or 7063 Inf. Sc. Honours Thesis H
9cp (6cp)

(3cp) or 7063 Inf. Sc. Honours Thesis H
9cp (6cp)

Course Duration

2 semesters full-time or part-time equivalent.

Admission Requirements

To be eligible for admission, students must have completed a Bachelor's degree in an area of information sciences (for example, Bachelor of Business Informatics, Bachelor of Information Technology, Bachelor of Software Engineering, or Bachelor of Engineering) within the previous two years; **and**

credit average or better over the last two years of the Bachelor's degree; **and**

evidence of having performed in subjects relevant to the proposed study at distinction level or above; **and**

submission of a satisfactory thesis proposal.

Professional Recognition

Accreditation to be sought from the Australian Computer Society

© 2004-2019 University of Canberra

Master of Information Sciences (Research) (861AA)

Award: Master of Information Sciences, Master of Engineering

Faculty: Faculty of Science and Technology

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

Master of Information Sciences is a postgraduate research course for students who have completed a Bachelors degree in Information Sciences, for example, Bachelor of Business Informatics, Bachelor of Information Technology or Bachelor of Software Engineering. It provides for advanced coursework and research in statistics, business informatics, mathematics, information systems, network engineering, software engineering, artificial intelligence, and other engineering and information technology related areas. Participation in this masters program will develop a candidates knowledge of a chosen field and extend that field through a contribution to knowledge. It will educate the candidate in research methodology and techniques. A specific program of coursework, research methodology and research will be developed with each student and the appropriate award (M InfSc or ME) selected.

Course Requirements

The course has two components making up 48 cp - coursework at PG level 15 cp **and** research 33 cp. A specific program of coursework, research methodology and research will be developed with each student and the appropriate award (M InfSc or ME) selected. This program and selected award will be reflected in the student's Learning Plan; and will be used in assessing milestones and for thesis examination purposes.

Coursework component:

Students have to select a total of 15 credit points of coursework comprising

6797 Inf. Sc. Research Methodology PG (3cp)

and 12 credit points from PG level units offered by the School of Information Sciences and Engineering as approved by the Course Convener.

Research component:

Students are required to take 33 credit points of research work comprising

6798 Inf. Sc. Research Proposal R (3cp)

and research thesis (30 cp) :

6802 Master of Inf. Sc. Thesis R FT or 6803 Master of Inf. Sc. Thesis R PT

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Typical Course Structure

Semester 1

YEAR 1

PG Unit 1

PG Unit 2

6798 Inf. Sc. Research Proposal R

6802 Master of Inf. Sc. Thesis R FT

YEAR 2

PG Unit 4

6802 Master of Inf. Sc. Thesis R FT

Semester 2

PG Unit 3

6797 Inf. Sc. Research Methodology PG

6802 Master of Inf. Sc. Thesis R FT

6802 Master of Inf. Sc. Thesis R FT

Course Duration

Standard: 2 years full-time or part-time equivalent

Maximum: 2 years full-time or part-time equivalent

Admission Requirements

The entry requirements of the course are

- a degree in information sciences (such as Bachelor of Business Informatics, Bachelor of Information Technology, Bachelor of Software Engineering) with an average grade of credit or better, **or**
- a Master of Technology or equivalent with an average grade of credit or better

and evidence of capacity for doing research at the Masters level.

Professional Recognition

To be accredited with the Australian Computer Society

© 2004-2019 University of Canberra

Professional Doctorate in Information Sciences (Research) (862AA)

Award: Doctor of Information Sciences

Faculty: Faculty of Science and Technology

CRICOS Code: 064487J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Professional Doctorate in Information Sciences is a rigorous higher degree by research oriented to the informed and critical application of knowledge to problems and issues concerning the Information professions and their professional practice. It offers professionals in the information sciences (including business informatics, information technology, statistics, mathematics, and engineering) an opportunity to study advanced subjects in these areas and to undertake research in a specialist area of information sciences. The main objective of this course is the extension of knowledge, expertise and skills towards the improvement of professional practice in information sciences. It provides advanced study and reflection on practice in the information professions by both drawing on student's professional experience and expertise, and extending it. The professional doctorate therefore provides the opportunity to bring together, in a scholarly submission, professional work done over a period of time. The course is intended to develop the capacity of individuals to lead development of knowledge in their professional contexts.

Course Requirements

The course has two components making up 72 credit points coursework at PG level 24 credit points **and** research 48 credit points.

Coursework component:

Students have to select a total of 24 credit points of coursework comprising

6797 Inf. Sc. Research Methodology PG (3cp)

and 21 credit points from PG level units offered by the School of Information Sciences and Engineering as approved by the Course Convener.

Research component:

Students are required to take 48 credit points of research work comprising

6798 Inf. Sc. Research Proposal R (3cp)

and research thesis (45 credit points):

6800 Doctor of Inf. Sc. Thesis R FT or 6801 Doctor of Inf. Sc. Thesis R PT

The students are normally allowed to enrol in the thesis unit only after they have successfully

completed the coursework component of the course.

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Typical Course Structure

Semester 1	Semester 2
YEAR 1	
PG Unit 1	PG Unit 5
PG Unit 2	PG Unit 6
PG Unit 3	PG Unit 7
PG Unit 4	6797 Inf. Sc. Research Methodology PG
YEAR 2	
6798 Inf. Sc. Research Proposal R	6800 Doctor of Inf. Sc. Thesis R FT
6800 Doctor of Inf. Sc. Thesis R FT	
YEAR 3	
6800 Doctor of Inf. Sc. Thesis R FT	6800 Doctor of Inf. Sc. Thesis R FT

Course Duration

Standard: 3 years full-time or part-time equivalent

Maximum: 4 years full-time or part-time equivalent

Admission Requirements

The entry requirements of the course are

- a degree in information sciences (such as Bachelor of Business Informatics, Bachelor of Information Technology, Bachelor of Software Engineering) with an average grade of credit or better, **or**
- a Master of Technology or equivalent with an average grade of credit or better

and at least five years of appropriately high-level professional practice in information science,

and evidence of capacity for doing research at the doctoral level.

Professional Recognition

Accreditation will not be sought from the Australian Computer Society as candidates eligible to enrol will already be eligible for professional membership of the society.

Bachelor of Nursing (885AA)

Award: Bachelor of Nursing

Faculty: Faculty of Health

CRICOS Code: 007077M

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course provides a broad foundation for professional nursing practice and prepares students to practise as Registered Nurses. Graduates will be able to meet the nursing needs of people of all ages and have the ability to practise safely and with sensitivity in any area of nursing. Clinical nursing practice is an essential component of the course, enabling students to apply knowledge and skills from the theoretical subjects to the nursing care of individuals, families and groups in hospitals and community settings in the ACT and surrounding districts. Only students admitted to this course will be able to undertake those subjects involving clinical practice.

Course Requirements

72 credit points of required units comprising:

Required individual units (21 credit points)

Major in Nursing Theory (18 credit points)

Major in Professional Theory (21 credit points)

Minor in Psychosocial Approaches to Health (12 credit points)

Required individual units (21 credit points):

7428 Somology: The Body in Nursing

7431 Analysing Disease Part 1

7433 Analysing Disease Part 2

7440 Practice Development: Evidence and Change

7435 Child and Adolescent Health and Illness

7437 Clinical Governance

7439 Ethics and Law in Nursing

Typical Course Structure

Semester 1

YEAR 1

7427 Social Concepts of Health and Illness

7428 Somology: The Body in Nursing

Semester 2

6088 Psych Approaches to Health Care Practice

7431 Analysing Disease Part 1

7429 Theoretical Foundations in Nursing	7430 Practice Development: Learning for Nurses
YEAR 2	
7554 Mental Health	7434 Indigenous Health: Contemporary Issues
7432 Acute Care - Adult	7435 Child and Adolescent Health and Illness
7433 Analysing Disease Part 2	7436 Chronic Illness
YEAR 3	
7437 Clinical Governance	7441 Analysis of Nursing Practice
7438 Acute Care - Older Person	7440 Practice Development: Evidence and Change
7439 Ethics and Law in Nursing	

Course Duration

Standard 6 semesters full-time or equivalent part-time; Maximum 20 semesters

Admission Requirements

Applicants must have completed Year 12 or similar level of study and meet normal University requirements for admission to an undergraduate course. Applications are considered from Enrolled Nurses who may not have completed Year 12.

All students enrolled in the Bachelor of Nursing course are required to undergo a Police Record Check prior to undertaking clinical experience. All students are also required to present an immunisation history.

Applicants who need to satisfy English language proficiency are required to have an overall Academic IELTS band score of 6.5, with no single band score less than 6.0.

Assumed Knowledge

ACT: Biology, Chemistry and Mathematical Methods majors.
NSW: Biology, Chemistry, Mathematics.

Master of Physiotherapy (Research) (886AA)

Award: Master of Physiotherapy (Research)

Faculty: Faculty of Health

CRICOS Code: 057105J

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is designed to meet the needs of graduates (from Physiotherapy or another approved area of health science) who wish to further develop their expertise in Physiotherapy by research. It is an opportunity for students with relevant research skills and experience to undertake independent research in an area of interest that contributes to the Physiotherapy literature.

Course Requirements

48 credit points as set out in (a) or (b)

a) 100% thesis

48 credit points from the following required unit:

7552 Master of Physiotherapy (Research) Type 1 Thesis 48cp

(b) 75% thesis and 25% coursework as follows

(i) 36 credit points from one of the following required units:

7553 Master of Physiotherapy (Research) Type 2 Thesis 36cp

And

(ii) 12cp PG level units as approved by the course convener.

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Typical Course Structure

100% thesis

Semester 1
YEAR 1

Semester 2

7552 Master of Physiotherapy
(Research) Type 1 Thesis 48cp

YEAR 2

7552 Master of Physiotherapy
(Research) Type 1 Thesis 48cp

7552 Master of Physiotherapy
(Research) Type 1 Thesis 48cp

7552 Master of Physiotherapy
(Research) Type 1 Thesis 48cp

75% thesis and 25% coursework

Semester 1

YEAR 1

12 credit points PG level units as
approved by the course convener

YEAR 2

7553 Master of Physiotherapy
(Research) Type 2 Thesis 36cp

Semester 2

7553 Master of Physiotherapy
(Research) Type 2 Thesis 36cp

7553 Master of Physiotherapy
(Research) Type 2 Thesis 36cp

Course Duration

Two years full-time or four years part-time

Admission Requirements

A recognised undergraduate Physiotherapy or health sciences degree at honours level or other approved degree or equivalent from a recognised tertiary institution with demonstrated capacity and/or aptitude for research.

Depending on the desired area of study and the applicant's discipline background, appropriate bridging requirements may be required..

Additional requirements (eg police checks):

Students undertaking the Master of Physiotherapy (Research) may be required to undergo a Police Record Check prior to undertaking clinical research. Those students are also required to present current immunisation records prior to commencing clinical research. Acknowledgement of the principles of ethical conduct and patient's privacy within the healthcare setting are sought from such students. Healthcare institutions will require students to abide by their guidelines for conduct within their environments.

Professional Recognition

Professional accreditation: A higher degree by research in a specific area of Physiotherapy is recognised as a means of achieving credit towards professional specialisation.

***This course does not fulfil the academic requirements towards entry-level Physiotherapy registration in Australia.**

Master of Pharmacy (Research) (887AA)

Award: Master of Pharmacy (Research)

Faculty: Faculty of Health

CRICOS Code: 057104K

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is designed to meet the needs of graduates (from pharmacy or another approved area of health science) who wish to further develop their expertise in pharmacy by research. It is an opportunity for students with relevant research skills and experience to undertake independent research in an area of interest that contributes to the pharmaceutical literature.

Course Requirements

48 credit points as set out in (a) or (b)

a) 100% thesis

48 credit points from the following required unit:

7550 Master of Pharmacy (Research) Type 1 Thesis 48cp

(b) 75% thesis and 25% coursework as follows

(i) 36 credit points from one of the following required units:

7551 Master of Pharmacy (Research) Type 2 Thesis 36cp

AND

(ii) 12 CP PG level units as approved by the course convener.

Students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra.

Graduate Certificate in Professional Writing (Editing) (901AA)

Award: Graduate Certificate in Professional Writing

Faculty: Faculty of Arts and Design

University Admissions Centre (UAC) Course Code: 880535

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

The Graduate Certificate in Professional Writing (Editing) is a coursework, 12 credit point award. The course will normally be taken over two semesters for full-time students, or four semesters for part-time students. This award has been developed to provide a professional editing course at graduate level. It aims to provide students with the opportunity to develop high level understandings of the structure and function of the publishing industry, and the conceptual and practical skills necessary to produce work in both print and electronic media.

Upon completion of the graduate certificate students will have:

- * A developed understanding of the processes and roles involved in the publishing field;
- * High level critical and creative thinking skills, including theoretical, legal and ethical aspects;
- * High level skills in substantive and copy editing and manuscript development;
- * Demonstrated capacity to work at a high level in the production of texts.

[Recognition of Prior Learning](#) (RPL) applies to this course.

Course Requirements

12 credit points acquired through the following units:

Required (12 credit points):

7541 Introduction to Editing G

7540 Advanced Editing G

2262 Freelance Writing G1

2264 Freelance Writing G2

Course Duration

Standard: 2 semesters full-time; 4 semesters part-time

Maximum: 4 semesters

Admission Requirements

Applicants must hold a Bachelor degree or equivalent as approved by the University's Admissions Committee.

Admission may also be considered based on combinations of study, or learning gained from work experience, learning gained from non-credentialed courses, and learning from life as formally set

out in the Universitys *Policy Advice on RPL for Applicants*.

Assumed Knowledge

Familiarity with the conventions of writing, including narrative structures, fiction and nonfiction forms, grammar and syntax, are an advantage; excellent use of written English is essential for work in this area. Applicants also need to be familiar with word processing and preferably with other computer programs, including web page design and desktop publishing programs.

Subsumable awards

This certificate is subsumable within the Graduate Diploma in Professional Communication (Professional Writing).

© 2004-2019 University of Canberra

Graduate Diploma in Professional Writing (903AA)

Award: Graduate Diploma in Professional Writing

Faculty: Faculty of Arts and Design

University Admissions Centre (UAC) Course Code: 880530

CRICOS Code: 058226C

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Part Time, Face-to-Face -
 - Full Time, Face-to-Face -

Introduction

An award designed for students who already have a degree which will enable them to develop creative writing skills in a range of fields.

Course Requirements

24 credit points comprising:

- (a) Required units 9 credit points
- (bi) Restricted choice 12 credit points
- (bii) Restricted choice 3 credit points

(a) Required units: 9 credit point from the following required units:

2262 Freelance Writing G1
2264 Freelance Writing G2
2273 Scriptwriting G1

(bi) Restricted choice: 12 credit points from the following units:

2278 Scriptwriting G2
6136 Narrative and Interactive Practice G
5382 Poetry & the Imagination G
3481 Writing for Young People G
7541 Introduction to Editing G
7540 Advanced Editing G

(bii) Restricted choice: 3 credit points from the following units:

2267 Freelance Writing Project G
2279 Scriptwriting Project G

Typical Course Structure

Semester 1

YEAR 1

2262 Freelance Writing G1

Semester 2

2264 Freelance Writing G2

2273 Scriptwriting G1

Any two of: 3481 Writing for Young People G or 6136 Narrative and Interactive Practice G or 7540 Advanced Editing G

One of: 2267 Freelance Writing Project G or 2279 Scriptwriting Project G

Any two of: 2278 Scriptwriting G2 or 7541 Introduction to Editing G or 5382 Poetry & the Imagination G

Course Duration

2 semesters full-time: maximum 8 semesters.

Admission Requirements

Applicants must meet normal University of Canberra requirements for admission to a graduate diploma course.

Admission may also be considered based on combinations of study, or learning gained from work experience, learning gained from non-credentialled courses, and learning from life as formally set out in the University's *Policy Advice on RPL for Applicants*.

Additional requirements:

Applicants must provide a portfolio of creative writing.

Assumed Knowledge

Familiarity with ideas about creative writing and narrative along with excellent use of written English.

Subsumable awards

The Graduate Certificate course in Professional Writing (Editing) is subsumable into the Graduate Diploma in Professional Writing course.

Master of Applied Science (Research) (910AA)

Award: Master of Applied Science

Faculty: Faculty of Science and Technology

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

This course is designed to meet the needs of graduates of sciences or applied sciences who wish to further develop their expertise in applied science research. It is an opportunity for students with relevant research skills and experience to undertake independent research in a specialised area of interest to both students and supervisors within the Division of Health, Design and Science. It is essential that there should be Division academic staff members available and willing to supervise the student for the proposed program and applicants are strongly advised to discuss their plans with a possible supervisor before submitting an application. Current areas of expertise in the Applied Science are as follows:

Health Sciences: human physiology, immunology, microbiology, nutritional science, toxicology, drug analysis, pharmaceutical formulation, phytochemistry, pharmacology, psychology, health informatics, forensic science, nursing science and neuromuscular co-ordination.

Resource, Environmental and Heritage Sciences: vegetation and wildlife ecology, freshwater ecology, conservation biology, wildlife genetics, environmental chemistry, geomorphology, micrometeorology, geographical information systems, cultural heritage management, resource and environmental management.

Course Requirements

At least 48 credit points as set out in (a) or (b):

Candidates are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra .

For the 75% thesis and 25% coursework model, students are normally expected to complete the coursework units before commencing the research.

(a) 100% thesis

48 credit points from the following required unit:

7623 Master of Applied Science Research Thesis Type 1 (48cp)

OR

(b) 75% thesis and 25% coursework

48 credit points from the following required units:

7624 Master of Applied Science Research Thesis Type 2 (36cp)

PG level units as approved by the course convener

Typical Course Structure

100% thesis, full-time:

Semester 1

YEAR 1

7623 Master of Applied Science
Research Thesis Type 1 (48cp)

YEAR 2

7623 Master of Applied Science
Research Thesis Type 1 (48cp)

Semester 2

7623 Master of Applied Science
Research Thesis Type 1 (48cp)

7623 Master of Applied Science
Research Thesis Type 1 (48cp)

75% thesis and 25% coursework, full-time:

Semester 1

YEAR 1

12 credit points PG level coursework
units approved by course convener

YEAR 2

7624 Master of Applied Science
Research Thesis Type 2 (36cp)

Semester 2

7624 Master of Applied Science
Research Thesis Type 2 (36cp)

7624 Master of Applied Science
Research Thesis Type 2 (36cp)

Course Duration

4 semesters full-time or part-time equivalent.

Admission Requirements

In accordance with the Gold Book 3.4.4. An Honours degree in science (at H1 or H2A level) or the equivalent in a relevant professional field;

OR

A bachelor degree in science or applied science with above average performance, or a bachelor degree followed by a graduate diploma in applied science, or an Honours degree in science at H2B or H3 level.

and evidence of a capacity for conducting research at the Masters level.

Professional Doctorate in Legal Science (Research) (914AA)

Award: Doctor of Legal Science

Faculty: Faculty of Business, Government & Law

CRICOS Code: 054345F

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Professional Doctorate course in Legal Science seeks to provide opportunities for advanced study and reflection on practice in the professional field of law. Such opportunities are to be provided for professionals of standing in the legal profession who will be able to draw upon, and extend, their professional experience and expertise.

The School of Law has particular teaching and research strengths in the areas of corporate, business and taxation law, although the course will allow students to focus upon a range of areas.

The objectives of the course are to enable legal practitioners to extend and build upon their professional experience through:

- a. the development of legal research, writing and analysis skills which enable students to produce a dissertation which constitutes an original and significant contribution to legal literature;
- b. coursework undertaken in specific units;
- c. the preparation of a substantial dissertation which adds to our existing legal knowledge and constitutes an in-depth investigation and analysis of a particular legal issue or set of issues; and
- d. bridging the gap between theory and practice by developing closer links between the University and senior professionals in fields associated with law and related disciplines.

Course Requirements

The course has two components making up a total of 72 credit points coursework of 24 credit points and research of 48 credit points.

Students are also required to complete a Research Education Program that will assist them to acquire the generic skills and attributes identified as appropriate for graduates of postgraduate research programs at the University of Canberra .

Coursework component:

Students must select a total of 24 credit point at PG level comprising:

- (i) 6621 Advanced Legal Research and Writing PG
- and 21 credit points from PG level units approved by the Course Convener.

Typical Course Structure

Semester 1
YEAR 1

Semester 2

PG Unit 1	PG Unit 4
PG Unit 2	PG Unit 5
PG Unit 3	PG Unit 6
6621 Advanced Legal Research and Writing PG	PG Unit 7

YEAR 2

4517 Legal Science Dissertation D:FT or 4517 Legal Science Dissertation D:FT or
 4518 Legal Science Dissertation D:PT 4518 Legal Science Dissertation D:PT

YEAR 3

4517 Legal Science Dissertation D:FT or 4517 Legal Science Dissertation D:FT or
 4518 Legal Science Dissertation D:PT 4518 Legal Science Dissertation D:PT

Course Duration

Standard: 3 years full-time or part-time equivalent
 Maximum: 4 years full-time or part-time equivalent

Admission Requirements

Before a candidate is admitted to the Doctor of Legal Science Program, the University must be satisfied that it is able to supervise the candidates proposed dissertation and that the candidate satisfies the following admission requirements:

- a bachelor's degree in law or an equivalent qualification
- five years of professional practice in a legal area
- provides evidence of superior legal professional performance both intellectually and technically
- provides evidence of capacity for specialised coursework at the postgraduate level, and
- demonstrates capacity to undertake significant research in the proposed doctoral field.

Advanced standing:

Advanced standing of up to 24 credit points may be granted on the basis of prior studies at a post-graduate level. This includes 6 credit points (that is two PG level units) for graduates on the basis of completion of a Graduate Diploma in Legal Practice or equivalent and additional advanced standing (up to 18 credit points) for units completed at a postgraduate level which have contributed to the development of research skills and higher degree work.

Research component:

Students are required to take 48 credit points of research work through the completion of a dissertation of about 60,000 words comprising the equivalent of four semesters' full-time study.

The thesis unit is:

4517 Legal Science Dissertation D:FT or
 4518 Legal Science Dissertation D:PT

Doctor of Philosophy in Government (921AA)

Award: Doctor of Philosophy

Faculty: Faculty of Business, Government & Law

CRICOS Code: 058967K

Offered Locations and Delivery Modes:

- **UC - Canberra, Bruce**
 - Full Time, Face-to-Face -
 - Part Time, Face-to-Face -

Introduction

The Doctor of Philosophy (Government) course seeks to provide opportunities for advanced study and reflection on practice in the professional fields of public sector management, politics and public policy.

The objectives of the Doctor of Philosophy (Government) course are to enable students to enhance their research capacities through:

- a. Development of research, writing and analysis skills which enable students to produce papers and reports which constitute an original and significant contribution to the relevant literature;
- b. Preparation of a substantial research thesis which makes a significant contribution to knowledge and/or application of knowledge in the fields of public sector management, politics and/or public policy.

Course Requirements

72 credit point research thesis. Students enrol in 7641 Doctoral Thesis in Government R. There is no coursework component in the PhD (Government) although candidates may be required to participate in one or more Units in research methodology and/or research methods.

Research students are also required to complete a Research Education Program that will enable them to acquire the generic skills and attributes appropriate for graduates of postgraduate research programs at the University of Canberra.

Course Duration

The minimum period for completion of the degree will usually be three years of full-time study or its part-time equivalent. The maximum duration is four years full time or part-time equivalent.

Admission Requirements

Before a candidate is admitted to the Doctor of Philosophy (Government) program the Division must be satisfied that it is able to supervise the candidate's proposed thesis and that the candidate satisfies the following admission requirements:

- a. holds a bachelor degree in a relevant field with upper second or first class honours or a masters degree or equivalent completed at a high level;

- b. provides evidence of capacity for specialised research at the postgraduate level; and
- c. submission of a preliminary research proposal.
