3.3. The tuition fee for each course is set according to both the level of study (undergraduate, postgraduate coursework or research) and the broad field of study or research. The following applies:

- a. Fees are reviewed annually and published against each course on the [Find your Course](#) site. The International Students tab shows the indicative tuition fee for the selected course of study.
- b. The length of time for course completion is registered for each course on the [Commonwealth Register of Institutions and Courses for Overseas Students \(CRICOS\)](#).
- c. Should a student decide to change their course, they will receive a new offer with the indicative fee for the course.
- d. The tuition fee charged each teaching period may vary depending on the number and weighting of study units in which a student is enrolled in that teaching period.
- e. The tuition fee charged each year will increase in line with annual fee increases determined by Council.

Visa requirement

3.4. The Australian Government requires international students on a student visa to complete their course within the expected duration as specified on the student's Confirmation of Enrolment (CoE).
